

Accessing the Bully Stoppers Data Collection Tool

If you are getting an "invalid login" message, you have accessed this eduGate site using a login that isn't supported.

Correct Login Details

For school users (e.g. principal, business manager, teacher): you **cannot** use your personal login details.

Instead, to access the Data Collection Tool on this eduGate site you are required to login using the School's eduMail account and password.

The school's eduMail account username will begin with "s". E.g. s136801

How to Switch Logins in eduGate

To log into eduGate with a different account (i.e. your school account) you simply need to:

- (a) Click on your username at the top right corner of eduGate (as shown in Figure 1)

(b) When the login prompt (Figure 2) appears, click on "Sign in as Different User"

(c) Now enter the school account username and password (see Figure 3) and press OK.

You will then be logged into the site with a supported account and won't see the invalid login message.
