

## THE YOUNG DEVICES

**Swipe:** Oh man... Not again...

**TWEETYBYRD:** What's up?

**Swipe:** That Paddy guy keeps posting this pic of me back before my upgrade... It's so embarrassing.

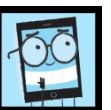

**Chip:** Not cool... Maybe you should post something mean back?

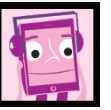

**Celleste:** Or tell a teacher?

**TWEETYBYRD:** Or let others know the photo makes you unhappy?

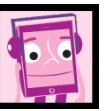

**Swipe:** Maybe I should just ask him why?

**Paddy:** What's up?

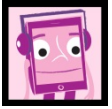

**Swipe:** Why do you keep posting this photo of me?

**Paddy:** I don't know what you're talking about little man... I don't even use that app anymore...

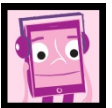

**Chip:** It's on your profile... We can all see it...

**Paddy:** Whatever...

**MR L.TOP:** Look, whenever you're in a situation where you're thinking about blaming someone for something you **think** they've done. Make sure you don't just **think** they've done it... **know** they've done it...

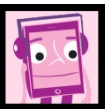

**Paddy:** What do you want now?

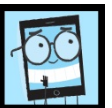

**Swipe:** I want you to show me your apps

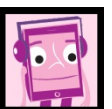

**Chip:** Yeah show us your apps! Wait what?

**Paddy:** Yeah, why do you want to see my apps?

**Swipe:** If you said you didn't post it... I want you to prove it...

**Paddy:** Fine, I've got nothing to hide... Here, you can see all my photos too...

**Celleste:** So if you didn't post it, who did? Did you ever give your password to anyone?

**Paddy:** Sure... I gave it to him... Show us your apps!

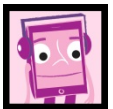

**TWEETYBYRD:** Yeah show us your apps!

**Swipe:** I really think you should show us your apps! And your photos!

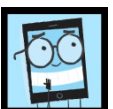

**Chip:** Oh come on guys... It was just a joke... A little fun... I didn't think anyone would get so upset...

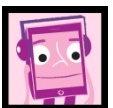

**Paddy:** I think you need a chance to start over...

**Chip:** What are you doing? Oh not another restore! I'm going to have to start all over again!!!

**Swipe:** Sorry if I doubted you... Are we cool?

**Paddy:** We're cool little man... I feel like a change of pace. Should we all go get an update?

**VOICE OVER:** Don't get blamed for someone else using your account... Cyberbullying is a serious issue... Protect your passwords like you protect yourself.
