

### Application for a Licence to Operate a Children's Service

## **Standard Service**

Children's Services Act 1996, Children's Services Regulations 2009

#### **About this application**

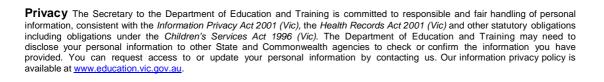

- This application is the second step in the licensing process to operate a children's service.
- Before operating a children's service, the children's service premises must be approved as suitable by the Secretary or Delegate of the Department of Education and Training (the Department) and have a 'Certificate of Approval of Premises'.
- When the premises have been approved, this form should be used to apply for standard service licence. A standard service is a children's service that is an early childhood intervention service; an occasional care service; a mobile service; or a budget based service.
- Do not use this form if you intend to operate any other type of service besides a standard service. Different application forms
  for other types of services and an integrated service where one licensee is operating 2 or more types of children's services
  at one premises are available at <a href="https://www.education.vic.gov.au">www.education.vic.gov.au</a>.

#### Documents you must provide with this application

- A copy of the Certificate of Approval of Premises.
- If within the last 5 years any of the following persons have not previously been approved as fit and proper by the Secretary or Delegate of the Department, a completed *Determination of Fit and Proper Person* form for:
  - o An individual applicant
  - o All directors or officers of a body corporate (company, incorporated association, cooperative, partnership, corporation) who will or may exercise management or control over the children's service.
  - Any other person who is a primary or approved nominee who will manage or control the children's service in the licensee's absence.
- If a company, a full ASIC company extract, not more than 6 months old, showing the company's status, address of principal
  place of business and director and company officers.
- If an incorporated association or cooperative, a copy of the certificate of incorporation or certificate of registration.
- If a partnership, the deed of partnership.
- If a corporation, a copy of the reporting structure.
