5. Terjemahkanlah dalam Bahasa Indonesia
Languages Online: Indonesian, Section 33

Instructions

Write these sentences in Indonesian:

I have an exercise book and five binders.

_________________________________________________

Could you lend me a marker?

_________________________________________________

Sorry, I don't have any.

_________________________________________________

The book is large and green.

_________________________________________________

I need pencils, please.

_________________________________________________

The red ones or the blue ones?

_________________________________________________

I need five highlighters.

_________________________________________________

The green ones or the yellow ones?

_________________________________________________

Is that a diary?

_________________________________________________

No, it's a calculator.

_________________________________________________

That's not a backpack, it's a pencil case!
