

# 5. Encuesta para la clase

Name: \_\_\_\_\_

► **Instructions:**

- Complete this task as a class.
- The teacher asks each student "**¿Tienes una mascota?**" (Alternatively students can take turns to ask the question.)
- Each student answers the question in Spanish. e.g.
  - " **Sí, tengo un perro.**
  - " **Sí, tengo un gato y dos pájaros.**"
  - " **No, no tengo una mascota.**"
- Listening to the answers, each student compiles a bar graph by using this table. Use coloured pencils to make your bar graph easy to view.
