

Victorian Early Years Awards 2025

Nominations now open

Nominations close 5 pm, Thursday 12 June 2025

This year we are celebrating 20 years of the Victorian Early Years Awards!

The awards recognise and celebrate individuals, professionals and initiatives in the early years sector that demonstrate leadership and innovation to improve the health, learning, development and wellbeing of young children (birth to 8 years) and their families.

Do you know an organisation, service or community group that provides innovative support for children with developmental delays, concerns or disabilities and their families?

We're looking for those that go above and beyond to ensure Victorian children are supported at every stage and ability, so they thrive in kindergarten and life.

Nominate them for a Victorian Early Years Award today!
