Retrospect is a celebration of the most popular music and dance from 1900 to the present day. The production is an anthology of the pastimes, costumes and festivities of each of the historical, popular music periods of the time.

From horse-drawn carts and honky-tonk, to the 'Barbie' doll of the 1960s and further on to our wild 2000s, the amazingly talented school children of Victoria capture the feelings and moods of each era with awe-inspiring energy.

Told in song, music and dance, 'Retrospect' features a 1547 strong choir, 63 musicians and more than 1300 dancers. Top this off with 31 'stars' of tomorrow who are the featured vocalists of this year's show and you've got a wonderful, blockbuster production that everyone will enjoy.

JtC Singers

JtC Singers comprises 96 students from Years 4 to 12 from Victorian Government schools. It is a prestigious ensemble whose repertoire ranges from Renaissance to contemporary popular music. Formed in 1997, the ensemble enables singers to extend their technical, musical and performance skills. It is directed by Douglas Heywood, OAM, whose professional work has spanned the areas of opera and oratorio, as well as orchestral conducting. These talented choristers perform at state and private functions throughout the year. Rehearsals take place every Saturday of the school term at the JtC Studios. Auditions are open to all Victorian Government school students.

JtC Dancers

JtC Dancers was established in 1995 to promote and encourage dance in Victorian Government Schools. It provides young dancers with the opportunity to work in a professional and highly productive environment. JtC Dancers consists of junior and senior ensembles, with 24 dancers in each. Throughout the year, JtC Dancers present a variety of workshops and performances at state and private functions. Their focus is on modern and contemporary dance. Rehearsals take place every Saturday of the school term at the JtC studios. Auditions are open to all Victorian Government School students.

JtC Regional Ensembles

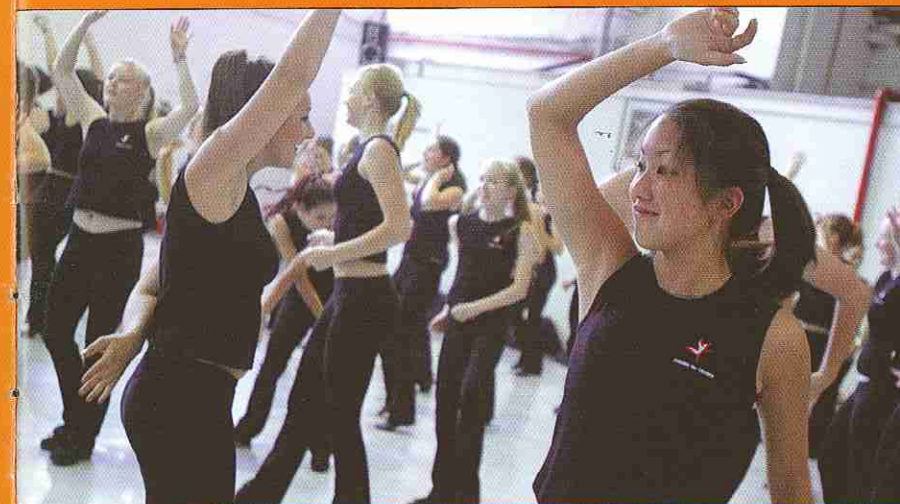

In 1999, the JtC dance ensembles were established in Bendigo, Ballarat, Leongatha and Geelong. These ensembles were established to give students greater performance and learning opportunities in regional areas. Students attend lessons on a weekly basis within their local area.

Bay Rodders

The cars you see displayed on stage belong to members of Bay Rodders. The club has 34 members who attend events across Victoria, with many travelling interstate or overseas for special events. The club is based at Somerville and members conduct the very popular 2 Bay Rod Run at Mornington. Visit their website at www.vicnet.net.au/~bayrod

Most of these vehicles have been rebuilt by their owners using modern engines and components to improve safety and performance, while retaining the unique features of the original cars.

The official national organisation is the Australian Street Rod Federation (www.asrf.org.au), which promotes the sport of hot rods for tourism and leisure. There are 35 clubs in Victoria, about 200 nationally and about 5500 members all over Australia.

Thanks also to Hot Rod Heaven for supplying two of their chauffeur-driven hot rods.
