

# Bully Stoppers School Pledge

We know that bullying, in all its forms, must be stopped because schools should be safe places for everyone.

We're making our school safe by:

- **S**peaking up when others need help
- **A**ppreciating others and being a good friend
- **F**eeling empowered to do what's right
- **E**ncouraging people around us to *Make a Stand, Lend a Hand* against bullying.

Together, we pledge to stand up for each other and stop bullying in our school.
