

2024-25 TARGETED EDUCATOR INCENTIVES PROGRAM GUIDELINES

The Victorian Targeted Educator Incentives Program is available for qualified early childhood educators taking up roles in services delivering funded Three-Year-Old Kindergarten and/or Pre-Prep.

This document provides information about the 2024-25 program.

TARGETED EDUCATOR INCENTIVES PROGRAM

There are two types of incentives available from July 2024 to June 2025:

- **Educator Individual incentives of \$9,000 (before tax)** for eligible educators working outside funded kindergarten in the Victorian early childhood education sector, to take up a role in a funded kindergarten program at any service delivering funded Three-Year-Old Kindergarten and/or Pre-Prep in 2025.
- **Educator Location incentives of \$9,000 (before tax)** for eligible educators to take up a role in a funded kindergarten program at selected services.

Applicants who meet the eligibility criteria for both types of incentives can receive both payments.

Additionally, anyone receiving an incentive and moving more than 100 kilometres from their current residence to take up the role, can receive a **relocation supplement**.

Application process

This incentives program is administered by BUSY At Work on behalf of the Department of Education (the department). Applications for incentives can be made [online](#).

As part of the application process, you will need to provide BUSY At Work with evidence to support your application. This includes, but is not limited to:

- an Employer Declaration form completed by your employer confirming the service and role you are employed in
- evidence showing you meet the eligibility requirements outlined [above](#) and at [Appendix 1](#)
- if applicable, evidence supporting a relocation supplement (as outlined [above](#)).

BUSY At Work will assess applications within 10 business days of submission. If further evidence or information is required to support an application, the assessment timeframe may be extended.

If you are eligible, you will be asked to sign an Incentive Recipient Agreement to receive the incentive. This is a legal document that contains your rights and obligations as an incentive recipient, **so please read it carefully before signing**.

You can contact BUSY At Work (at EC.Financial.Support@education.vic.gov.au or 1300 161 396) for information about the application process and required evidence.

The department reserves the right to consider ineligible applications on a case-by-case basis.

Prioritisation of applications

Incentives are limited, and applications will be prioritised based on the circumstances of the service and applicant. Priority will be given to:

- educators taking on roles with higher working hours and for longer periods of employment
- permanent roles over fixed-term roles
- educators joining services that do not employ existing incentive recipients.

Payment schedule/timings

Incentives are paid in milestone payments. Incentive recipients will be required to submit evidence to show they are still employed in the same role at the same service, to receive each payment. Failure to provide evidence may result in the obligation to repay some or all milestone payments.

The timing of milestone payments can be found at [Appendix 2](#), and detailed information about milestone conditions (including evidence) is provided in the Incentive Recipient Agreement.

Further information

Educator roles at Victorian early childhood services are listed on the [Early Childhood Jobs](#) website. You can filter jobs on the Early Childhood Jobs website to find roles with Educator Location Incentives.

Further considerations for the Targeted Educator Incentives program

Tax implications

The receipt of incentive payments (and a relocation supplement if applicable) may have taxation implications and implications in respect of other government benefit schemes (such as Centrelink).

Applicants are advised to seek their own independent taxation advice and liaise with relevant organisations to find out about these implications before applying for a Targeted Educator Incentive.

Compassionate grounds

Where exceptional circumstances prevent the recipient from completing their employment, the department may waive some or all repayment obligations.

Compassionate or compelling circumstances will be assessed by the department on a case-by-case basis, and evidentiary documentation may be required to waive the repayment obligation.

Update of Guidelines

These guidelines, including program eligibility criteria may change. Updated guidelines will be published on the [department's website](#).
