

Early Learning Victoria

Victorian Department of Education Stakeholder Pack

October 2025

Introduction

Early Learning Victoria is a Victorian government organisation which provides high-quality education and care. We offer welcoming and engaging spaces to support all children. Our educational programs and teaching practices are guided by research and tailored to suit each child's learning and developmental needs.

Our centres offer long day care and kinder programs for three and four-year-olds.

With the launch of Early Learning Victoria and new centres across Victoria, we've created this stakeholder pack — with key messages, enrolment details and translated materials, to help you share this information within your community.

About our centres

- **Inclusive and welcoming:**

Our centres are inclusive, and we welcome families from all cultures and backgrounds. Our centres are part of your community. They are located alongside primary schools and other community services, helping you access what you need in one place.

- **Flexible hours:**

Our centres offer flexibility and are open 7am-6pm Monday to Friday (including school holidays). They are closed on weekends and public holidays.

- **Affordable care:**

Daily fees apply, with support available through the Australian Government's Child Care Subsidy and Victorian Free Kinder funding.

- **Healthy meals included:**

Children enjoy nutritious meals and snacks prepared fresh each day by our on-site professional cooks, all included in the daily fee.

Why this stakeholder pack matters

Access to high-quality early education is important for all Victorians and this stakeholder pack is designed to help communities understand:

How you can help

This stakeholder pack was created to support communities in finding out more about Early Learning Victoria and enrolling children in an Early Learning Victoria centre. You can help by:

- **Having a conversation**

Use the talking points or play the translated audio recording in your preferred language to introduce Early Learning Victoria to your community.

- **Distributing resources**

Share printed or digital versions of the enrolment flyer, postcard and translated materials with your networks.

- **Sharing on social media**

Post the ready-to-use social tiles and translated versions on your organisation's social media accounts.

Talking points and audio recordings
