

**Kinder now starts at 3
because we know 2
years are better than 1**

Education
and Training

Give your child the best start

The Victorian Government is investing in kindergarten programs for all three-year-olds—a nation-leading initiative that will benefit children across the state by 2022.

This means another year of learning, playing and making friends. It just adds up.

A white diagonal line is positioned to the left of the text.
