We had a great day today. This is today’s team with James and Stu from Canvas (the company that flew Jessie and Kate up to Washington DC last month to pick up the Anto Up Award) with our Pram Wranglers and Tinker Fairies. We helped 16 social workers and MCH health nurses and distributed 123 items to 24 families worth $9,200 at second hand value. This would not be possible without your support so THANK YOU!!!
