

Kindergarten Parent Opinion Survey 2022

The Kindergarten Parent Opinion Survey is an anonymous annual online survey that invites parents to provide feedback about what's going well at your child's kindergarten, as well as any areas for improvement. The survey includes questions on parent experience and satisfaction with their child's kindergarten program.

When does the survey take place?

The survey will take place from Tuesday 15 November to Friday 9 December 2022.

Why is the survey important?

The results will help your service to provide the best possible kindergarten experience for children and families and identify any areas for improvement.

How long does the survey take?

The survey only takes a few minutes to complete.

Who can participate in the survey?

Parents or guardians of children enrolled in a funded Three or Four-Year-Old kindergarten program may complete the survey.

The survey is not compulsory, however your participation contributes to improvement in the quality of kindergarten programs.

How is the survey accessed?

Your kindergarten service may have contacted you via email or SMS with a link to complete the survey online.

The survey is carried out online and can be completed by parents on a smartphone, tablet or desktop computer.

Privacy statement

No identifying information of participants is collected in the survey. Participants remain completely anonymous.

The Department is committed to protecting the privacy, confidentiality and security of personal information. The Department and the Social Research Centre are required to comply with the Privacy and Data Protection Act 2014 and the Health Records Act 2001. The Social Research Centre also adheres to the Privacy (Market and Social Research) Code 2014. For questions about the survey call 1800 255 668 or email: parentsurvey@srcentre.com.au.
