INTRODUCTION

Each year school council elections take place in Term 1 and the process must be completed by 31 March. The principal is responsible for conducting the election. The principal may appoint a person to act on their behalf for one or more of the purposes of Ministerial Order No 52 – School Council Composition and Elections Order (as amended from time to time). The Order establishes the legal framework for the conduct of the school council elections.

The Principals Guide to School Council Elections 2019 has been developed to assist principals to understand and conduct school council elections in accordance with the Order.

The election process is set out in six stages in the guide. The section headed 'Requirements' in each of the stages must be followed. Some stages have a notes section which provides additional information about the requirements. The guide also includes examples of good practice, the relevant forms required in conducting the election and fact sheets for parents, principals and students.

Further advice about the requirements for conducting the election can be obtained by contacting your regional office or by viewing the Order on the Department's school council website at: [Conducting an Election](#). Enquiries can also be made by emailing the School Operations and Governance Unit, Group Planning, Coordination and Operations Division, Regional Services Group at: school.council@edumail.vic.gov.au or by contacting 7022 1343 or 7022 1345.

STUDENT MEMBERS ON SCHOOL COUNCIL

In 2018, a Student member category on school council was mandated for Victorian government schools with a year 7 cohort and above. Each school council increased by two positions to allow for two student members to be elected to council, unless an exemption was approved.

The election process for the Student member category is now aligned with the election process for the Parent and Department of Education and Training (DET) member categories. The school council election process for all electorates must be completed by **31 March 2019**.

SCHOOL COUNCIL ELECTIONS – FUNDAMENTALS

ELECTION TIMEFRAME

The school council election process for all government schools in Victoria must be commenced no earlier than the school year commencement date and completed on or before 31 March for the Parent, DET employee and Student member categories.

A Ministerial Order is required to hold an election outside of this timeframe.

ELECTORATES

Each school council operates according to a constituting Order that details the objectives, functions and powers of a council and, for each individual school council, its size and configuration. A model constituting Order for a school council is at the Department's school council page, titled [Conducting an Election](#).

There are three separate electorates within a school community:

- Parent electorate
- DET employee electorate
- Student electorate.

In addition, there is an optional Community member category, and for a small number of school councils, a Nominee member category.

Parent electorate of the school

The Parent electorate of the school includes each parent of a student of the school, except those who are DET employees engaged in work at, and for, the school. A parent of a student at the school, who is a DET employee but does not work at or for the school is included in the Parent electorate. These parents are classified on council as 'DET parents'.

Parent includes a guardian or person who is liable to maintain or has the actual custody of a student of the school.

If a DET employee is elected to the Parent category (DET Parent) of the school where their child is enrolled but where they do not work, they are counted in the DET employee category for school council meeting quorum requirements.

Parent members must comprise more than one-third of the council's total membership.

The Notice of Election and Call for Nominations and ballot papers must be posted or delivered to each parent.

DET employee electorate of the school

The DET employee electorate of the school includes the principal of the school and DET employees engaged in work at, and for, the school. The principal and DET employees of a school are, and can only be, DET employee members of the school council.

'DET employee' means a person employed for eight hours or more per week in either an ongoing capacity or a fixed term of at least 90 days:

1. by the Secretary under the *Public Administration Act 2004* (Victorian Public Servants employed by DET)
2. by the school council of a government school (for example, maintenance or grounds person, cleaner)
3. under Part 2.4 of the *Education and Training Reform Act 2006* (members of the teaching service including education support officers) or
4. under more than one of the points above.

Contractors or their employees are not DET employees

A contractor is engaged under a contract for a service (as distinct from an employment contract). Neither a contractor nor the employees of a contractor are DET employees. As an example, a parent of a child at the school who is a director of a company that has been engaged by the school council to provide a service is not a DET employee. Similarly, a person employed by a company to manage the school canteen is not a DET employee.

Status of DET employees on leave

A DET employee (including a DET parent) on any form of leave (including family leave, secondment), whether with or without pay, from employment with DET shall be considered:

- to be a DET employee and have the employee status he/she had immediately prior to going on leave. If the leave is for six months or less, they will remain a member of the DET employee electorate of which the person was a member immediately prior to going on leave.

A DET employee is not eligible to serve as president of school council (including in a temporary capacity).

Student electorate of the school

All government schools with a Year 7 cohort and above are now required to have two student members on council.

The Student electorate of the school includes all students enrolled in Year 7 and above, at the school. Student members of school council have the same role and responsibilities as other council members including full voting rights. However Student members are not eligible to hold any office bearer position.

Community and Nominee members

Many school councils have Community members and a small number of schools have Nominee members. Persons are not elected to either Community or Nominee member positions.

School councils co-opt Community members. DET employees are ineligible for Community membership.

Nominee members are appointed by the Minister for Education or by an Appointer that the Minister has authorised. Principals with Nominee members on council should review the terms of appointment of the nominees at the start of each school year and action as required.

Community and Nominee members generally have the same rights, responsibilities and terms of office as elected members unless otherwise provided in the school council's constituting Order.

ELIGIBILITY OF SCHOOL COUNCILLORS AND VOTERS

A candidate must be a person who is eligible for election to the membership category to which they are seeking election.

The nominator of a candidate standing for election to the Parent member category must be a member of the Parent electorate of the school. The nominator of a candidate standing for election to the DET employee member category must be a member of the DET employee electorate of the school.

The nominator of a candidate standing for election to the Student member category must be in year 7 or above, and be a member of the school student body.

In deciding a person's eligibility, the principal may request in a specified timeframe that:

- a candidate must produce evidence of his/her eligibility to nominate for election
- a nominator must produce evidence of his/her entitlement to nominate the candidate and/or
- a voter produce evidence of his/her eligibility to vote.

A person who is an undischarged bankrupt, is of unsound mind, is serving a sentence for an indictable offence or is registrable offender within the meaning of the *Sex Offenders Registration Act 2004* is not eligible for election or co-option to the school council.

IDENTIFICATION AND LOCATION OF ELECTORATE MEMBERS BY PRINCIPALS

Principals are not required to locate or identify any member of the electorates for the purpose of posting or arranging delivery of the Notice of Election and Call for Nominations (Schedules 3 or 4) or Ballot Papers (Schedules 6A, 6B, 6C or 6D) other than from the information stated in the normal records kept at the school or received from a member of the electorate of the school to the principal in writing.

DISPUTES

The principal has the power to decide any dispute which may arise in the conduct of the ballot. Any queries or concerns about information or procedures during the election process should be discussed with the principal.

The principal is required to retain all election and ballot papers, ballot results and other related election information in the school for one year, unless instructed otherwise by the Secretary of the Department.

MAXIMUM DET PARENTS ON SCHOOL COUNCIL

All possible sizes and configurations of school council membership are listed on Schedule 2 on pages 39–42 of this document. It states the number of DET parents who can be elected to a particular school council.

The majority of councillors must be non-DET employees. Principals need to be conscious of the maximum number of DET parents that may be elected to school council when deciding whether the number of nominations in the Parent member category is equal to, less than, or greater than the number of vacancies (refer to Appendix B, Example 2).

Please note that Student members are not included in the Schedule 2 listing of constituting Orders.

INFORMATION FOR PARENTS, DET EMPLOYEES AND STUDENTS

Principals should provide their school community with appropriate information about the school council election through the school newsletter, by email or on the school website and encourage as many people as possible to participate in the process.

Information on the role and responsibilities of school councils should be freely available to all members of the school community.

TERM OF OFFICE – ELECTIONS/ CASUAL VACANCY

For all elections after the first school council election, the term of office for elected and co-opted members is not more than two years unless the term has been varied by a Ministerial Order. The term of office commences the day after the date of declaration of the poll and ends on the date of the declaration of the poll for the election held in the second calendar year following the election.

Where a member resigns or is no longer eligible to complete the term of office, the position may be filled by the school council co-opting an eligible person for the remainder of the term of office. For further information on casual vacancies see Appendix D.

SCHOOL COUNCIL MEETINGS

The school council can meet the day after the date of declaration of the poll. If a school council is required by its constituting Order to have community members co-opted to the school council, the principal must:

- as soon as practicable after the declaration of the poll and before office bearers are elected, call, and preside at, a special meeting for the purpose of co-opting the community members.

Following the co-option meeting, the principal will:

- call, and preside at, the first meeting of the school council to elect office bearers.

A school council must meet at least eight times a year, and at least once per school term. It is good practice to have two meetings per term.

CO-OPTION OF MEMBERS

A school council can co-opt persons to a vacant member position where:

- an elected position remains unfilled after completion of the election process, and, if after the second call, there are insufficient nominations to fill vacancies or
- there is a casual vacancy.

COMPLAINTS PROCESS/CONDUCT OF AN ELECTION

Any person who is aggrieved by any matter arising out of the conduct of an election may, within 14 days of the date of the declaration of the poll, make a complaint in writing to the principal.

If the principal receives a complaint, he or she must refer that complaint to the appropriate Regional Director as soon as possible and request that the Regional Director, either personally or through a nominee, establish a committee consisting of:

- a person nominated by the Regional Director
- the president of the school council, or, if the president has a connection to the complaint, a member of the school council who is within the Parent member category and who has no connection to the complaint
- a member of the school council who is within the DET employee member category and who has no connection to the complaint.

The regional office must forward a copy of the complaint to the School Operations and Governance Unit, Group Planning, Coordination and Operations Division, Regional Services Group at:

school.council@edumail.vic.gov.au

The School Operations and Governance Unit can also be contacted for further advice and support at:

school.council@edumail.vic.gov.au

If the committee established does not agree on how to deal with the complaint within 14 days of the establishment of the committee, the committee must contact the appropriate Regional Director and request that the Regional Director, either personally or through a nominee, determine how the complaint should be dealt with and resolved.

Until the determination of the committee or Regional Director, the election in respect of which a complaint is made shall be regarded as valid and any decision made by the school council during that interval is valid.

If the determination of the committee or Regional Director includes a determination that a fresh election is recommended, any decision made by the school council from the date of the determination to the date of the fresh election is valid. **A Ministerial Order is required for the new election to be conducted.** The principal or nominee must conduct the fresh election in accordance with the Order following receipt of the Order.

NEW SCHOOLS – THE FIRST SCHOOL COUNCIL ELECTION

The school council of a new school operates initially with an appointed membership until the first school council election is held. The timeframe for the first council election is specified in the constituting Order of the school council. The Notice of Election and Call for Nominations for the first school council election (Schedule 3) must be used. The Notice of Election and Call for Nominations (Schedule 4) is used for subsequent elections. The term of office of the initial appointed members expires upon the date of declaration of the poll for the first school council election. Additional information about the conduct of a first school council election is provided in Appendix C.

SCHOOL COUNCIL ELECTION PROCESS OVERVIEW

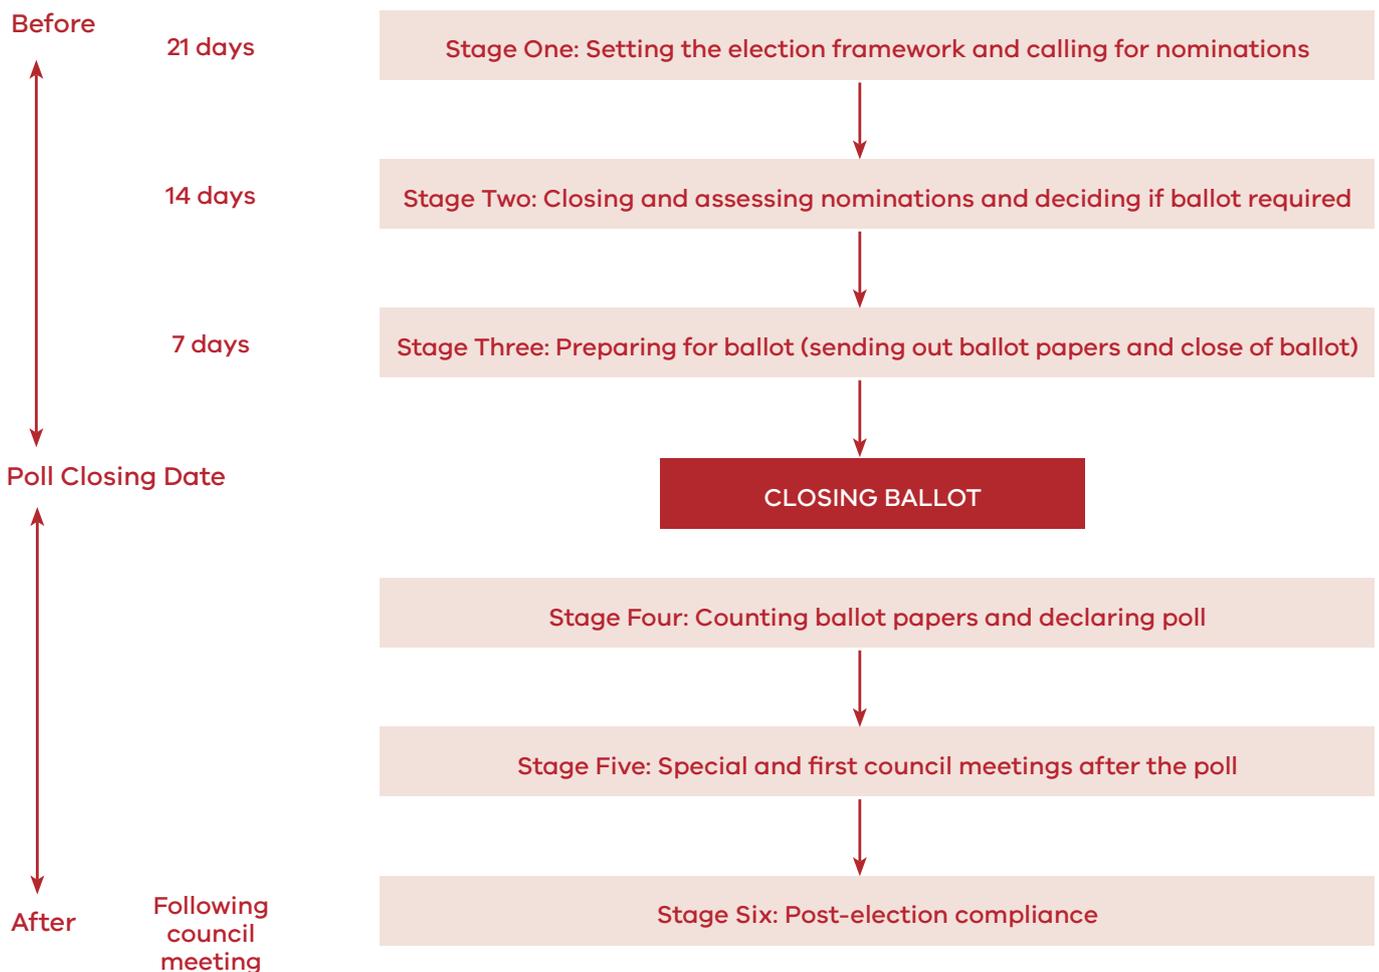

STAGES OF ELECTION

The election process needs to start at least 21 days before the poll closing date. The following are indicative stages of the election process.

Further information about the requirements for each stage of the election is set out in subsequent pages.

INDICATIVE TIMELINE

STAGES OF ELECTION PROCESS

STAGE ONE: THE ELECTION FRAMEWORK AND CALLING FOR NOMINATIONS

INDICATIVE TIMEFRAME

This stage of the election process may start any time after the commencement of the first school term as long as the activities of this stage are completed at least 21 days before the poll closing day.

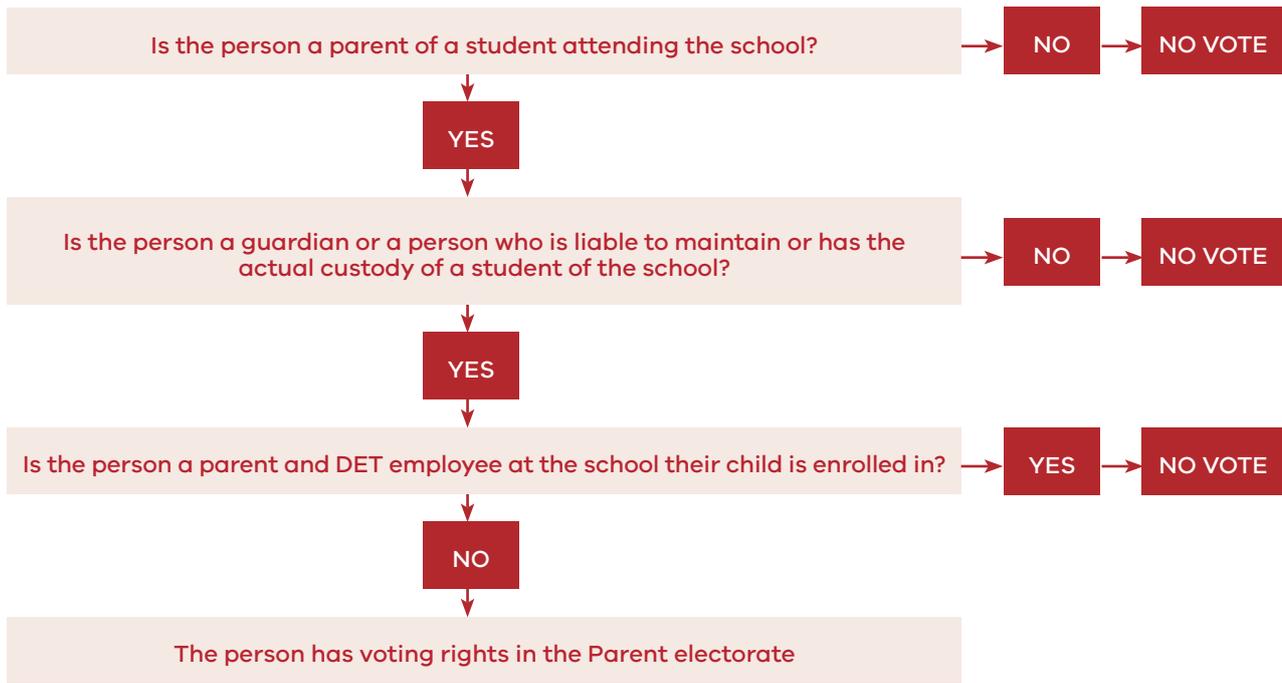

INTENDED OUTCOMES AT THIS STAGE

- An effective election plan is in place with sufficient time to communicate with the school community, distribute election papers, receive nominations and prepare ballot papers.
- Information is provided to the school community to participate in the school council election process.
- Nomination forms are prepared and are made available at the school.

REQUIREMENTS – STEPS TO BE TAKEN

1. Identify the number of vacancies in the Parent, DET employee and Student electorates (only those vacancies due to the expiration of the term of office of councillors).
2. Confirm vacant positions by referring to the school council's current membership size and configuration under its constituting Order. This information is listed on the online [Schedule 7 School Council Membership Schedule](#). Information on how to access school council membership information is on page 55 of this Guide.
3. Fix a date for the closure of the ballot for the election of school council members that enables the election process to be completed by 31 March.
4. At least 21 days before the date fixed, post or arrange for delivery of the Notice of Election and Call for Nominations to the Parent, Student and/or DET employee electorate of the school and display the Notice of Election and Call for Nominations in a prominent position at the school.
5. Prepare and make available at the school sufficient copies of the nomination forms (Schedules 5A, 5B, 5C, 5D, 5E, 5F). The nomination forms have changed to include information for nominators and nominees about the collection, use and disclosure of personal information under the Information Privacy Act 2000.
6. Prepare Nomination Form Receipt (Schedule 8).
7. Compile a roll with names and addresses of every person eligible to vote in the election in the three electorates (refer to Flow charts 1, 2 and 3). Principals are not required to locate or identify any member of the electorates for the purpose of posting or arranging delivery of the Notice of Election and Call for Nominations or ballot papers other than from information stated in the normal records kept at the school, or received from a member of the electorate of the school to the principal in writing.
8. Decide the date and time for the counting of votes and the declaration of the poll.
9. Provide general information about the election through the school newsletter/website or other forms of communication to your community (an example of a communication is provided in Appendix A).
10. The principal will be the returning officer. If there is a need to nominate another person, then this person should be a person independent of the outcome of any election.

h)	Special council meeting to co-opt Community members (the principal will preside) / / <i>(Insert a date after the declaration of poll)</i>
i)	First council meeting to elect office bearers (the principal will preside) / / <i>(Can be the same date as council co-option meeting or another date soon after)</i>

STAGE TWO: CLOSING AND ASSESSING NOMINATIONS AND DECIDING IF BALLOT REQUIRED

INDICATIVE TIMEFRAME

This stage falls between 14 days and 21 days before the poll closing date.

INTENDED OUTCOMES DURING THIS STAGE

- Nominations are received and validity of nominations and eligibility of nominators/ candidates assessed.
- Nomination form receipt is sent to candidates and nominators (if a different person).
- Decisions are made on whether or not a ballot is required and in which membership category.
- Outcome of the nomination process is publicised to the community.

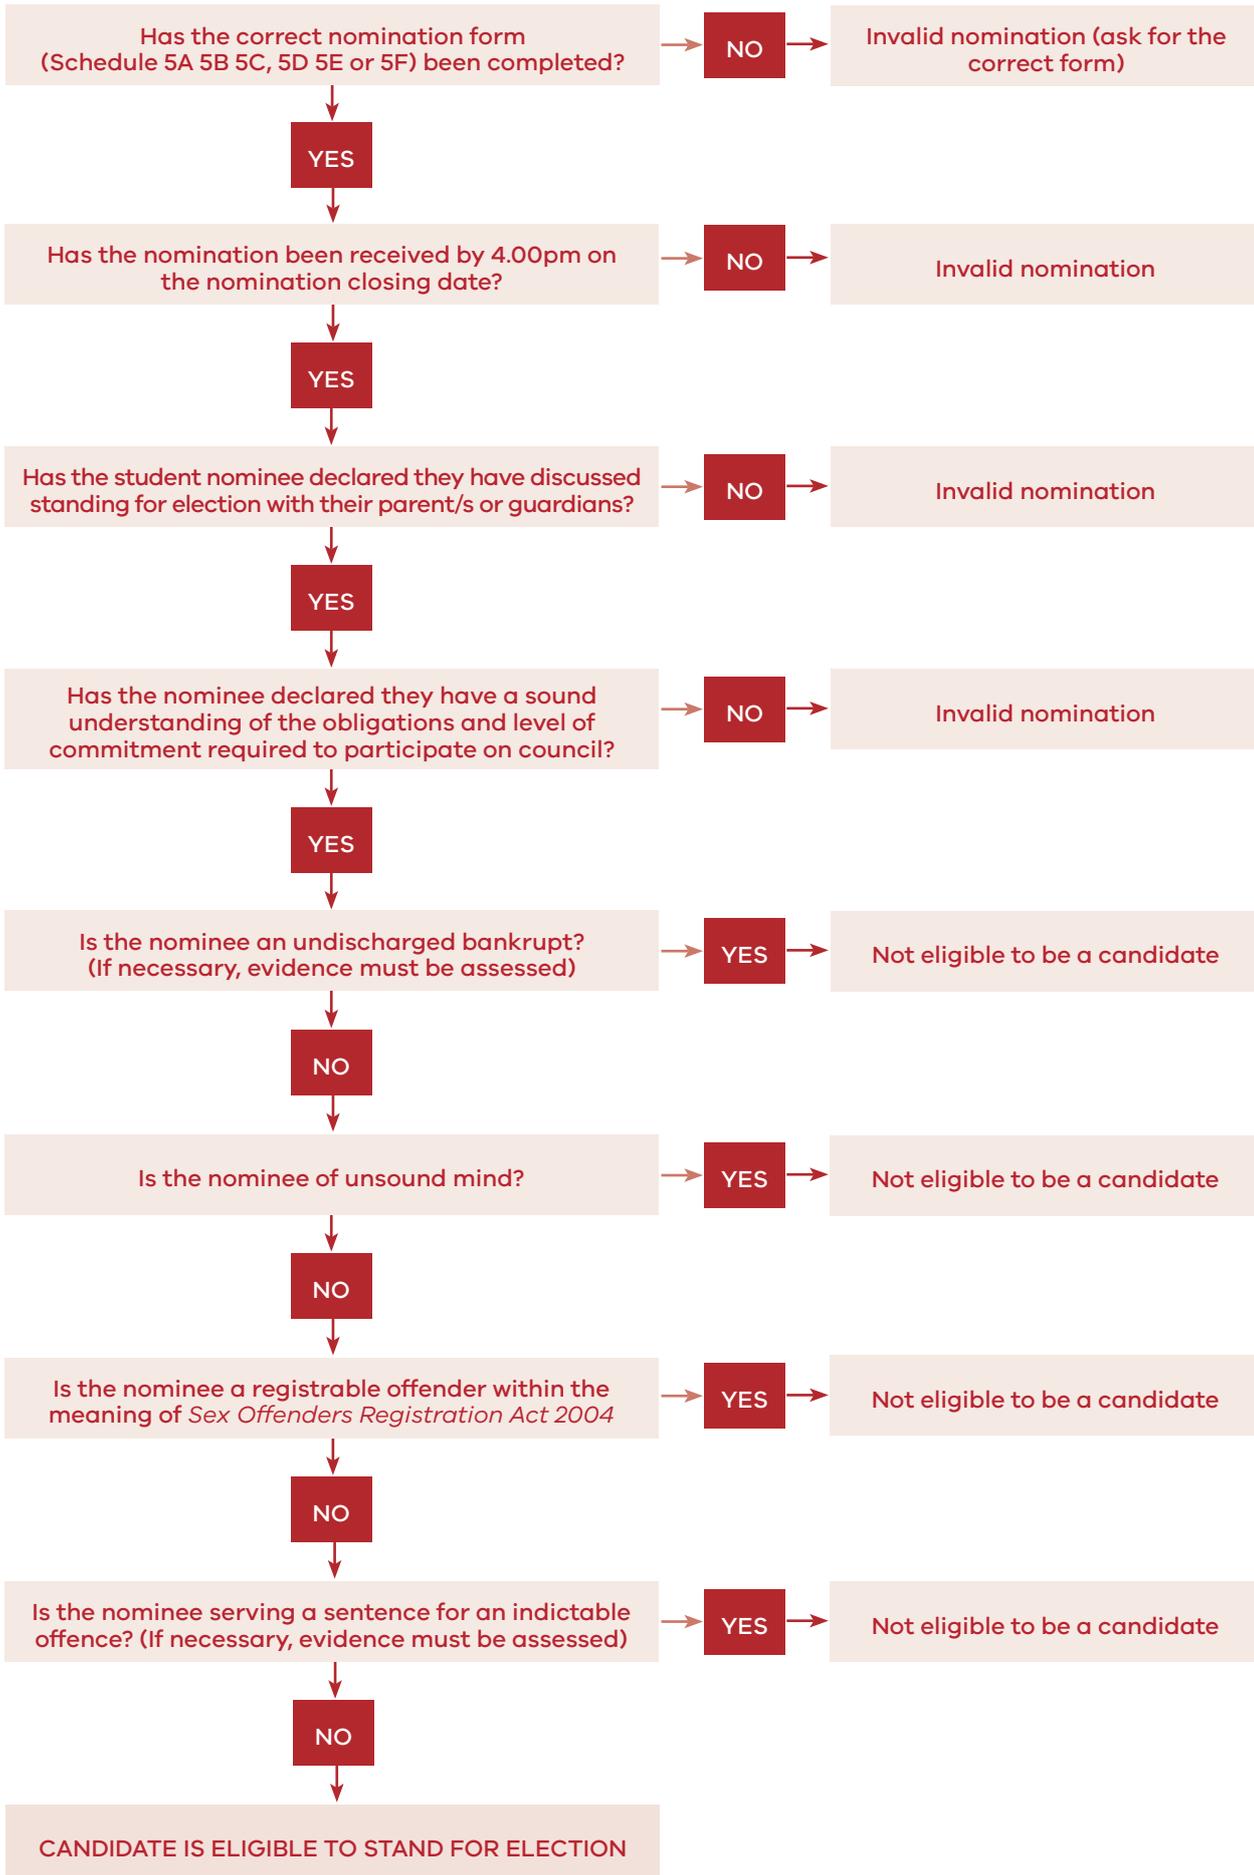

GOOD PRACTICE

- Assess the accuracy of completed nomination forms on receipt and provide advice, if necessary, to resubmit.
- When the number of nominations is less than the number of vacancies in any one membership category, publicise the extension of time widely for three school days and call for further nominations.
- Where the nominations exceed the number of vacancies and a ballot is required, provide candidates with the opportunity to provide a statement. Provide clear instructions about the preparation of the statement and check that instructions have been followed before sending out statements with the ballot papers. Refer to Stage 3, Good Practice, for more detailed information.

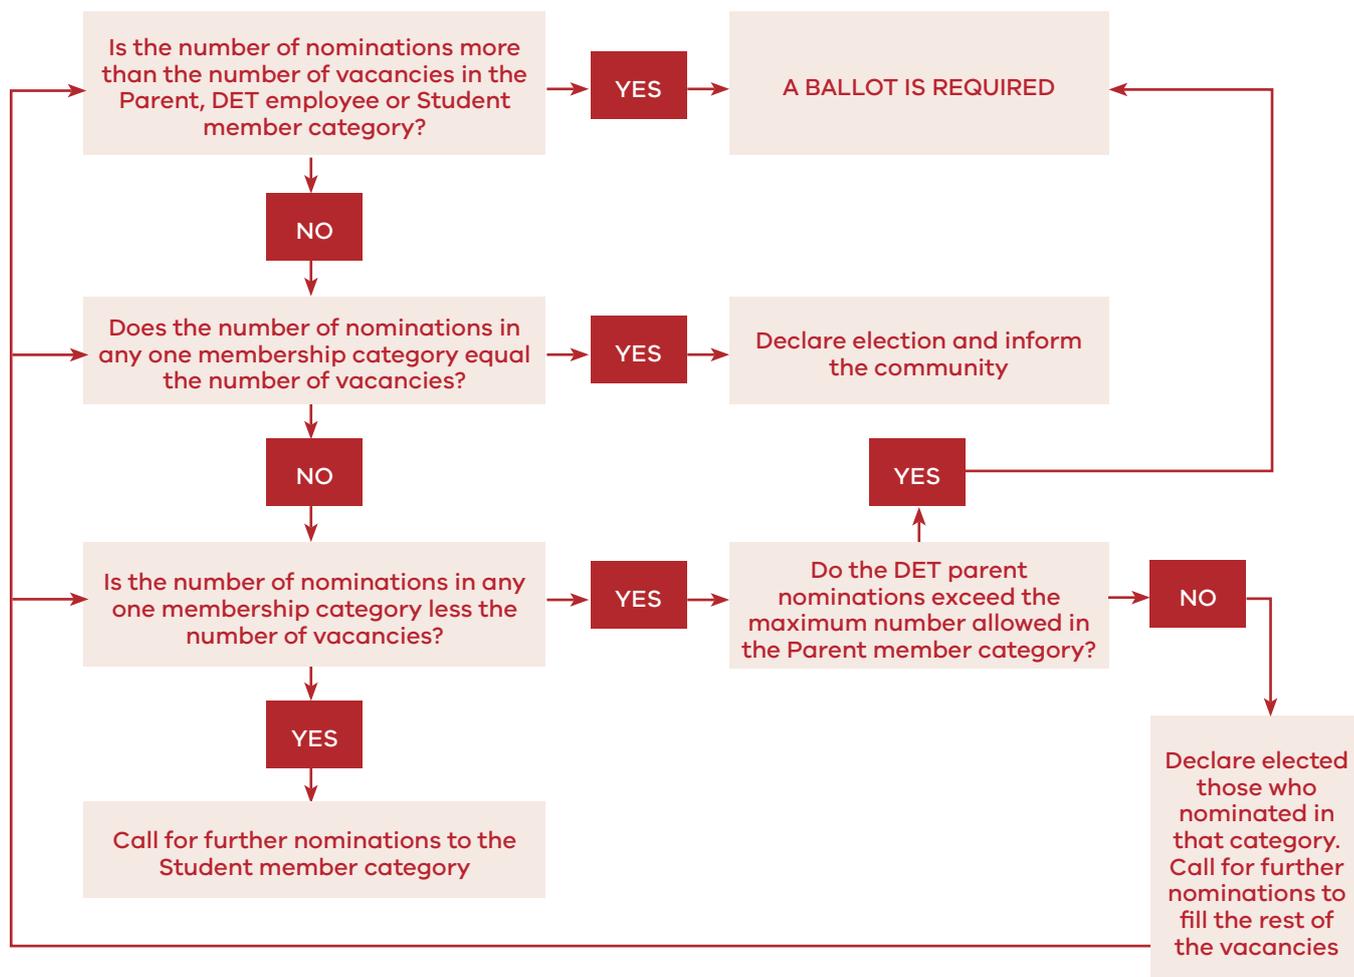

REQUIREMENTS – STEPS TO BE TAKEN

1. Receive completed nominations in the form of Schedule 5A, 5B, 5C, 5D, 5E and 5F (as appropriate) by 4.00pm on the fourteenth day before the date fixed for the closure of the ballot.
2. Assess the validity of nominations and eligibility of a nominator to nominate and candidate to nominate for election (refer to Flow chart 4 for assessing the validity of nominations and eligibility of candidates). The nominator and/ or candidate must be a member of the relevant electorate. A nomination does not require a seconder.
3. Display notices showing the name of each candidate and nominator in a prominent position at the school as soon as practicable after the closing of nominations.
4. Post/email Nomination Form Receipt (Schedule 8) to nominees and nominators as soon as practicable after the receipt of a validly completed nomination form.
5. Assess the adequacy and number of nominations and decide the requirement for a ballot (for an example for assessing the requirements for a ballot refer to Flow chart 5 and Appendix B) or recall for nominations.
6. In the Parent electorate determine which parents are DET employees and whether this meets the requirements of Schedule 2 in this Guide. Non-DET members must be in the majority and Schedule 2 indicates the total permissible to meet this requirement.
7. When the number of nominations is less than the number of vacancies in the Parent or DET employee categories, declare elected those who nominated in that category and immediately post in a prominent position in the school a notice stating that insufficient nominations have been received and call for further nominations. Such nominations are to be lodged within three school days from the date of the closing of the first call for nominations.
8. When the number of nominations is less than vacancies in the Student member category, the principal must post another notice calling for further nominations. These nominations are to be received within three school days. If after the second call, the number of nomination match the number of vacancies, the students are appointed to council.
9. Where the number of nominations in the Parent, Student or DET employee categories exceeds the number of vacancies, a ballot is required.
10. Where the number of nominations equals the number of vacancies (subject to maximum DET parent requirements not being exceeded – refer to Schedule 2), declare the poll and inform the school community.
11. Ensure completed nomination forms are available for inspection up to the commencement of voting. Given that personal information is on the nomination form, the principal should personally handle any requests for inspection.
12. Nomination forms must be kept at the school by the principal for a period of one year from the date of the declaration of the poll and available for inspection by voters at reasonable times.

FLOW CHART 4: ASSESSING THE VALIDITY OF NOMINATIONS AND ELIGIBILITY OF CANDIDATES

FLOW CHART 5: ASSESSING THE REQUIREMENTS FOR A BALLOT

STAGE THREE: PREPARING FOR BALLOT

INDICATIVE TIMEFRAME

This stage is within seven days before the poll closing date.

INTENDED OUTCOMES AT THIS STAGE

- Ballot papers using Schedules 6A, 6B, 6C and 6D are prepared and completed as required by the Order:
 - a. Schedule 6A is used for the Parent member category (refer to Appendix B, Example 1)
 - b. Schedule 6B is used for the DET employee member category
 - c. Schedule 6C is used for the Parent member category in circumstances where parents who are DET employees and who are nominated to the Parent member category exceed the maximum DET parents, but where there are insufficient candidates for the Parent member category who are not DET employees, and where at the second call for nominations the number of parents nominated exceeds the vacancies and a ballot is required (refer to Appendix B, Example 2)
 - d. Schedule 6D is used for the Student member category.
- Clear instructions to, and communication with, the voters and candidates are established.
- Voters may only vote once in a ballot and must vote in the relevant electorate.
- Administrative arrangements are completed to cast votes and to record the names and addresses of the voters on the register of voters.
- Integrity of the voting process and the security of the ballot boxes are ensured.

REQUIREMENTS – STEPS TO BE TAKEN

1. Prepare ballot papers in the form of Schedule 6A, 6B, 6C and 6D as appropriate, with the names, in an order determined by the drawing of lots, of the candidates listed in the relevant membership category.
2. Ensure each ballot paper is easily capable of authentication by, for example, a signature or school stamp.
3. Electronic or digital ballot papers cannot be used.
4. At least seven days before the date fixed for the closure of the ballot, post or arrange delivery of the ballot papers together with two envelopes to each voter of the relevant electorate of the school. The principal may determine whether the school pays for return postage of any ballot papers.
5. Ballot papers must not be uploaded onto the school website or distributed electronically.
6. Inform the school community that in the Parent member and DET employee member categories no campaign literature supporting candidates or groups of candidates may be distributed or posted in the school. No school resources, whether human or material, may be used to support particular candidates or groups of candidates.
7. Inform school community that campaign literature supporting Student candidates or groups may be distributed or posted in the school at the discretion of the principal. No school resources whether human or material may be used to support particular candidates or groups of candidates.
8. Notify voters of any withdrawal of candidates as soon as possible.
9. Authorise a person to receive and register votes delivered to the school.
10. Provide a securely sealed ballot box, or boxes in the case of multiple school campuses, for the casting of votes at the school between the hours of 8.00am and 4.00pm on every school day up to and including the day of the closure of the ballot.
11. Record in a register the name and address appearing at the rear of each outer envelope containing a postal vote and a vote cast between the hours of 8.00am and 4.00pm on any school day up to and including the day fixed for the closure of the ballot and which has been delivered to the person authorised to receive and register the votes. Place the unopened plain envelope containing the completed ballot paper in the ballot box.
12. For a ballot paper delivered to the school by the voter, the voter places the blank envelope containing the ballot paper in the ballot box and prints his/her name and address in the register of voters.
13. Ensure that the ballot box is kept in a secure place at all times.

CASTING A VOTE

Each voter must complete a ballot paper by placing a mark next to the name of each candidate standing for election for whom the voter wishes to vote, up to the number of vacant positions. To cast a vote, the voter must:

- place the completed ballot paper in a blank envelope and place the blank envelope in a second envelope with the voter's name and address printed on the back of this envelope and post the envelope to the principal so as to reach the principal by 4.00pm on the day of the closure of the ballot or
- deliver, or arrange delivery of, the completed ballot paper to the school between the hours of 8.00am and 4.00pm on any school day up to and including the day fixed for the closure of the ballot, and place the completed ballot paper in a blank envelope and:
 - a. place the blank envelope in another envelope with the voter's name and address written on it and deliver the envelope to the person authorised to receive and register the votes or
 - b. place the completed ballot paper in a blank envelope in the ballot box provided and print the voter's name and address in the register of voters.

GOOD PRACTICE

- Receive statements from candidates so that they can be circulated with the ballot papers. Where a candidate has not followed instructions for completing the statement, request that they revise it. Send candidates' statements with the ballot papers. Further advice about candidates' statements is included at the end of this section.
- Advise voters that anybody who wishes to use a postal vote should ensure that their vote is posted in time to reach the school by 4.00pm on the closing date of the ballot.
- Use the school website, an election newsletter, or a hand delivery system through school students, as additional means of communication with voters.
- Allocate a person to answer telephone inquiries regarding the election or casting votes during this period. Flow charts 1, 2 and 3 will assist in providing advice on, and assessing voting rights for the electorates.
- Where a school has a post box mailing address, clear the box at 4.00pm on the day of the closure of the ballot.

STATEMENTS FROM CANDIDATES

Preparation and distribution of candidates' statements is not a requirement in the Order. However, in line with standard election procedure, principals may wish to invite candidates to prepare a brief statement to be distributed with each ballot paper. This allows each electorate to gain some background about the people standing for election.

If candidates are invited to prepare a statement, the length required should be specified by the principal. It is suggested that it be no more than 150 words. The principal should specify the type of information that could be included about the candidates, such as:

A statement from a candidate may include information about his/her:

- work experience including voluntary work
- academic and professional qualifications if applicable
- skills and abilities including those that may be useful for the council (e.g. accounting, contract management, fundraising, organising events etc)
- previous and current involvement with the school, and school council including sub-committees of school council
- reasons for standing for election and
- interests and hobbies.

EDITING THE STATEMENTS OF CANDIDATES

The principal should not edit the candidates' statements. The principal may request a candidate to omit any part of a statement that is likely to be defamatory or offensive or inappropriate to the campaign.

If candidates provide statements that are too long, the candidate should be asked to revise the statement prior to it being circulated. If this is not done, the statement should be published using only the specified number of words.

Any instructions concerning completion should be adhered to. Failure to ensure that candidates have followed instructions for completing their statements has resulted in the lodging of grievances.

STAGE FOUR: BALLOT COUNT AND DECLARING POLL

INDICATIVE TIMEFRAME

This stage starts as soon as possible after the close of ballot.

INTENDED OUTCOMES AT THIS STAGE

- The secrecy of the ballot and integrity of the electoral process are maintained during the vote count and declaration of the poll.

REQUIREMENTS – STEPS TO BE TAKEN

1. On the date fixed for the closure of the ballot, or as soon as practicable after that date, preside at the counting of the votes and the declaration of the poll.
The declaration of the poll may coincide with any other school meeting.
2. Inform each candidate of the date, time and place for the counting of votes and of the right to appoint one scrutineer each to observe the counting of the votes (refer to Note 2 for advice to scrutineers).
3. Appoint not less than two tellers, being persons who are not candidates for election, to:
 - a. count, in the presence of any scrutineers, the number of votes cast for each candidate
 - b. report the result to the principal and
 - c. carry out any other duties in respect of the election as required by the principal.
4. Any ballot paper that:
 - a. is not received by the principal or placed in the ballot box at the time of the closure of the ballot or
 - b. is not properly and clearly marked or
 - c. does not comply with the provisions of the Order shall be rejected as invalid.
5. A scrutineer shall be removed from the counting of votes at the direction of the principal if the scrutineer interferes with the counting procedures.
6. At the conclusion of the counting of the votes, rank the candidates standing for election to the Parent, DET employee and Student member categories in accordance with the total number of votes received by each candidate and, if requested, disclose the voting figures. Refer to Appendix B for some examples of assessing the requirement for an election and determining election results.
7. For the purpose of ranking the candidates, if there is a tie between some or all of the candidates standing for election in any membership category, determine the ranking of the candidates by the drawing of lots.
8. Formally declare to be elected as members of the Parent member category of the school council, the highest ranking candidates up to the number of vacancies to be filled in that category. However, the principal shall not formally declare to be elected, any candidate seeking election to the Parent member category who is a DET employee if such a declaration would result in half, or more than half, of the school council's total membership being DET employees.
9. Formally declare to be elected as members of the DET employee member category of the school council the highest ranking candidates up to the number of vacancies to be filled in the DET employee member category.
10. Formally declare to be elected as members of the Student member category of the school council the highest ranking candidates up to the number of vacancies to be filled in the Student member category.
11. Notify all persons standing for election of the results of the election within 48 hours of the declaration of the poll.
12. After the declaration of the poll by the principal:
 - a. retain the ballot papers in the school for one year, after which the ballot papers must be destroyed unless the principal has been instructed otherwise by the Secretary of the Department
 - b. retain all results and related information other than ballot papers in the school for one year, after which time the results and related information may be destroyed unless the principal has been instructed otherwise by the Secretary of the Department.
13. Advise any person who raises a grievance arising out of the conduct of the election that a complaint in writing may be made to the principal within 14 days of the date of the declaration of the poll.
14. If a principal receives a complaint about the conduct of an election he/she must refer that complaint to the appropriate Regional Director as soon as possible (refer to the Complaints process/conduct of an election on page 8).

GOOD PRACTICE

- Develop and use a simple system to record the number of valid votes cast for each candidate and be satisfied with the total number of votes before declaring the poll.
- Re-examine invalid votes to decide if they are valid or invalid. Refer to Note 3 for advice on how to determine invalid votes.
- Record and maintain a register of any issues raised by the scrutineers and decisions reached.
- Maintain the secrecy of the ballot, and not open voting papers until the scheduled time of the vote count.
- Maintain the confidentiality of the state of the ballot at all times until satisfied that the result is correct.

NOTE 2: SCRUTINEERS FOR THE VOTE COUNT

- A scrutineer is entitled to be present and observe the opening of envelopes containing ballot papers, the examination of envelopes and ballot papers and counting of the votes. However, the scrutineer is not entitled to be involved in or interfere with the process.
- Should a scrutineer wish to challenge the validity of a particular ballot paper, he/she should draw this to the attention of the presiding officer (the principal or his/her delegate), who will then decide on its validity.
- The decision of the principal or his/her appointee is final.
- If there is a tie between some or all of the candidates standing for election in any membership category, each scrutineer is entitled to be present while the principal determines the ranking of the candidates by the drawing of lots.

NOTE 3: HOW TO DETERMINE INVALID VOTES

The method for marking a ballot paper is not prescribed and hence ticks, crosses and numbers are all valid and should be interpreted as voting for a particular candidate. A ballot paper shall be rejected as invalid if:

- it is not received by the principal or placed in the ballot box by 4.00pm on the day of the closure of the ballot
- it is not properly and clearly marked
- the voter marks the names of more candidates than he/she is entitled to vote for
- in any other way it is unclear from the ballot paper for whom the vote is intended
- there is reasonable cause to believe that the ballot paper was not an official ballot paper, i.e. one that is not easily authenticated by, for example, a signature or school stamp
- from the postmark on the outer envelope, the principal is satisfied that it was posted after the poll closure date
- it does not comply with any other requirement.

STAGE FIVE: SPECIAL AND FIRST COUNCIL MEETINGS AFTER THE POLL

INDICATIVE TIMEFRAME

This stage starts as soon as practicable after the declaration of the poll and is managed by the principal.

INTENDED OUTCOMES AT THIS STAGE

- The co-option of Community members and election of office-bearers is completed to finalise the election process.

GOOD PRACTICE FOR APPOINTING COMMUNITY MEMBERS

- In consultation with elected council members, assess the skill mix required for the council to function effectively and consider what skills gaps can be filled through appointing Community members. School governance support materials to assist this process are available at the Department's page: [School Councils](#).
- Conduct informal consultations with newly elected and existing council members to discover potential Community members for co-option.
- Seek prior consent from potential Community members for their co-option to the Council.
- Refer to [Benefits of co-opting Community members to school councils](#) on the Department's school council web site page. This document provides information and guidance on the benefits of community co-option.

REQUIREMENTS – STEPS TO BE TAKEN

1. If a school council is required to have Community members co-opted to the school council, the principal must as soon as practicable after the declaration of the poll and before office-bearers are elected, call, and preside at, a special meeting for the purpose of co-opting the Community members. The principal will then call, and preside at, the first meeting of the school council to elect office-bearers.
 - a. At the special meeting the quorum is constituted if not less than one-half of the members of school council currently holding office are present.
 - b. If the purpose of co-option of Community members cannot be achieved at this meeting, the meeting may be adjourned to a date decided by the meeting.
 - c. If the co-option of Community members either cannot be resolved at the special meeting or on resumption of the adjourned special meeting, the school council may proceed to the first meeting of the school council to elect office-bearers.
2. If a school council is not required to have Community members co-opted to the council, the principal must call, and preside at, the first meeting of the school council to elect a president and any other office-bearers the council may choose to have. A DET employee is ineligible to serve as president or vice-president if the council choose to elect one. The school business manager is ineligible to serve as treasurer.
3. Once members and office-bearers are elected or co-opted to the school council, inform the school community of the names of the members and office-bearers.
4. Report to the school council the number of votes cast by the DET employee electorate, by the Parent electorate and the Student electorate of the school.

STAGE SIX: POST-ELECTION COMPLIANCE INDICATIVE TIME FRAME

INDICATIVE TIMEFRAME

The post-election compliance stage starts following the co-option of community members and election of office-bearers and operates throughout the year.

INTENDED OUTCOMES AT THIS STAGE

- Compliance requirements post-election, including the filling of casual vacancies, are completed, within specified timeframes and according to the Order and other relevant regulations.

REQUIREMENTS – STEPS TO BE TAKEN

Schedule 7 School Council Membership Schedule – Online Completion.

Following the school council elections in Term 1:

By 30 April 2019 the principal must complete the online Schedule 7 through eduGate. This information informs the Secretary of the Department of the names of the members, membership category, gender, term of office, as well as identification of office bearers and vacancies, and provide notification of whether the member is a DET employee.

The **school login details** must be used to complete the online Schedule 7. The steps are as follows:

- Open the Schedule 7 online system at the eduGate portal [School Council Membership Schedule](#).
- Your name should appear in the top, right-hand side of the screen.
- Click on your name and select 'sign in as different user' from the drop down menu.
- Enter the school's username and password and click 'ok'.
- You will see the membership of your school council according to its constituting Order across the top of the screen.
- Update all membership details. Add new members and their details. Where members are continuing, revise their term of office dates. Include all vacancies by entering 'vacant' as the member name. Delete members who are no longer on school council and any unnecessary rows.

- Check all entered data for accuracy. Ensure the total of the currently entered membership (including vacancies) at the top of the form matches with the council constituting Order. Print, sign and date the form.
- **This is your school record and is kept at the school. This form is not sent to the regional or central office.**
- Click on the calendar below the principal's name to confirm the date of completion of the form. Click the 'Submit Declaration' button to complete the process.
- The Schedule 7 must be completed and declared by 30 April 2019.
- If membership details change during the year you can update the form by following the above process.

The Department may provide the name of the principal and the school council president to the Victorian Public Sector Commission for inclusion on the Government Appointments and Public Entity database and statistical purposes. The Department will also provide the Victorian Public Sector Commission with the total number of school councillors.

Throughout the year, if required:

- Assist in the co-option process for filling casual vacancies (refer to Appendix D for information on circumstances under which casual vacancies are created).
- Provide advice to the school council and follow the procedures in changing the size and configuration of council membership (Schedule 9) if required.
- As the Executive Officer of school council ensure that:
 - a. appropriate advice is provided to the school council on educational and other matters
 - b. the decisions of the school council are implemented
 - c. support and resources are provided for the efficient running of school council meetings.

UPDATE SCHOOL COUNCIL PRESIDENT DETAILS

Each school has an eduMail account specifically for the school council president. This account must be in the name of the president for the duration of their appointment. When and if a new president is elected the existing account must be updated with the new details. Ensure that the school council president's details are recorded against the school's school council president eduMail account.

- Visit the eduMail page at [eduMail page](#)
- Enter principal's username and password.
- Click on link 'School Council President' (left side of the Account Information page) to access and update the information.
- Resetting the eduMail password for the school council president eduMail account is the same as resetting the password for staff.
- Provide the school council president with their eduMail account details and password. Encourage the president to check their account regularly.
- Enter details of the current school council president on CASES21.

CHANGING THE SIZE OR CONFIGURATION OF COUNCIL – SCHEDULE 9

- A Ministerial Order is required to effect a change in size or configuration to a school council.
- A Schedule 9 form is used by school council to request a change in size or configuration of the school council (see page 57 of this Guide).
- A Schedule 9 request can only be made once in any 12-month period.
- The decision to submit a Schedule 9 request is made after the school council election process and within the school year of the members who approve the amendments.
- A change in size or configuration must be approved by a minimum 75 per cent majority vote of the total council membership according to its **constituting Order** and a reason provided for the request. The proposed new council size must be consistent with one of the options specified in Schedule 2 of the Order.
- If a school council is unable to achieve the minimum 75 per cent majority vote of the total council membership, a request for an exemption from that requirement can be made. The exemption request and reasons for the request should be included on the Schedule 9 form. For example: the minimum 75 per cent majority vote could not be achieved as the council has a number of vacancies it has been unable to fill.
- The online Schedule 7 listing of members' details must be an accurate reflection of the current school council membership including vacancies prior to submitting a Schedule 9 request.
- The completed Schedule 9 must be forwarded to the School Operations and Governance Unit, Group Planning Coordination and Operations Division, at: school.council@edumail.vic.gov.au
- A briefing and Ministerial Order will be prepared by the Legal Division for the Minister or delegate's consideration. The principal will be advised of the outcome of the request.

APPENDIX A: SCHOOL COUNCIL ELECTIONS – FACT SHEETS

FACT SHEET NO 1. SCHOOL COUNCIL ELECTIONS – INFORMATION FOR PARENTS

WHAT IS A SCHOOL COUNCIL AND WHAT DOES IT DO?

All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the broad directions of a school in accordance with their constituting Order and the *Education and Training Reform Act 2006*. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

WHO IS ON THE SCHOOL COUNCIL?

For most primary school councils, there are three possible categories of membership:

- **A mandated elected Parent member category** – more than one-third of the total members must be from this category. DET employees can be Parent members at their child's school as long as they are not engaged in work at the school
- **A mandated elected DET employee member category** – members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically one of these members
- **An optional Community member category** – members are co-opted by a decision of the council because of their special skills, interests or experiences. DET employees are not eligible to be Community members.

For all schools with a year 7 and above cohort, there is a fourth category of membership:

- **A mandated elected Student member category (2 positions).**

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

WHY IS PARENT MEMBERSHIP SO IMPORTANT?

Parents on school councils provide important viewpoints and have valuable skills that can help inform and shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying and may also find that their children feel a greater sense of belonging.

DO I NEED SPECIAL EXPERIENCE TO BE ON SCHOOL COUNCIL?

Each member brings their own valuable life skills and knowledge to the role. However councillors may need to develop skills and acquire knowledge in areas that are unfamiliar to them. What you do need is an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

CODE OF CONDUCT FOR SCHOOL COUNCILLORS

School councils in Victoria are public entities as defined by the *Public Administration Act 2004*. School councillors must abide by the *Code of Conduct – Employees* issued by the Victorian Public Sector Commission. The Code of Conduct is based on the Victorian public sector values and requires councillors to:

- **act with honesty and integrity** (be truthful, open and clear about their motives and declare any real, potential or perceived conflict of interest and duty)
- **act in good faith in the best interests of the school** (work cooperatively with other councillors and the school community, be reasonable, and make all decisions with the best interests of students foremost in their minds)
- **act fairly and impartially** (consider all relevant facts of an issue before making a decision, seek to have a balanced view, never give special treatment to a person or group and never act from self interest)
- **use information appropriately** (respect confidentiality and use information for the purpose for which it was made available)
- **exercise due care, diligence and skill** (accept responsibility for decisions and do what is best for the school)
- **use the position appropriately** (not use the position as a councillor to gain an advantage)
- **act in a financially responsible manner** (observe all the above principles when making financial decisions)
- **comply with relevant legislation and policies** (know what legislation and policies are relevant for which decisions and obey the law)
- **demonstrate leadership and stewardship** (set a good example, encourage a culture of accountability, manage risks effectively, exercise care and responsibility to keep the school strong and sustainable).

INDEMNITY FOR SCHOOL COUNCIL MEMBERS

School councillors are indemnified against any liability in respect of any loss or damage suffered by the council or any other person in respect of anything necessarily or reasonably done, or omitted to be done by the councillor in good faith in:

- a. the exercise of a power or the performance of a function of a councillor, or
- b. the reasonable belief that the act or omission was in the exercise of a power or the performance of a function of a council.

In other words, school councillors are not legally liable for any loss or damage suffered by council or others as a result of reasonable actions taken in good faith.

HOW CAN YOU BECOME INVOLVED?

The most obvious way is to vote in the school council elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might consider:

- standing for election as a member of the school council
- encouraging another person to stand for election.

WHAT DO YOU NEED TO DO TO STAND FOR ELECTION?

The principal will issue a Notice of Election and Call for Nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March unless the usual time line has been varied by the Minister.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent member category.

DET employees whose child is enrolled in a school in which they are not engaged in work, are eligible to nominate for Parent membership of the school council at that school.

Once the nomination form is completed, return it to the principal within the time stated on the Notice of Election. You will receive a Nomination Form Receipt via post, email or by hand following the receipt of your completed nomination.

Generally, if there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

REMEMBER

- Consider standing for election to school council this year.
- Ask at the school for help if you would like to stand for election and are not sure what to do.
- Be sure to vote in the elections.

Contact the principal for further information.

FACT SHEET NO 2. INFORMATION FOR PRINCIPALS REGARDING THE STUDENT MEMBER COUNCIL ELECTIONS

HOW MANY STUDENT MEMBER POSITIONS ARE THERE ON SCHOOL COUNCIL?

All Victorian government schools with a student cohort of year 7 and above will have two Student member positions on school council.

WHICH STUDENTS ARE ELIGIBLE TO STAND FOR ELECTION?

To be eligible to run in the Student member category, that person must be a student enrolled in year 7 or above at the school where they are seeking to be on council. There is no minimum age requirement.

WHICH STUDENTS ARE ELIGIBLE TO NOMINATE AND/OR VOTE FOR THE STUDENT MEMBER CATEGORY?

To be eligible to nominate and/or vote for a person to be elected to the Student member category, that person must be a student who is enrolled at the school in year 7 or above. There is no minimum age requirement.

DO STUDENTS HAVE THE SAME RIGHTS AND RESPONSIBILITIES AS OTHER COUNCIL MEMBERS?

Student member school councillors have the same rights and responsibilities as all other council members. They are full voting members and are expected to prepare for and attend all council meetings.

Student members are ineligible to hold any school council office bearer position.

CAN A PARENT AND CHILD BE ON THE SAME COUNCIL?

Yes, relatives are allowed to be members of the same council.

CAN STUDENTS CO-OPTED TO THE COMMUNITY CATEGORY BE TRANSFERRED TO THE STUDENT MEMBER CATEGORY?

Students who are currently Community members on council may choose to remain in this category or may choose to seek election to the Student member category. If a student Community member is successful in being elected to a Student member position, the student, upon accepting the new position will automatically be considered as having resigned from their Community member position, thereby creating a casual vacancy in that Community member position.

Councils are unable to simply transfer students who have been co-opted to a Community member position to the Student member category.

NOMINATIONS FOR SCHOOL COUNCIL

Unlike the Parent or DET employee member categories, if two Student member positions are available and in the first call for nominations only one nomination is received, the student is not automatically declared elected. The principal will immediately post, in a prominent place in the school, a notice calling for further nominations. These nominations are to be received within three school days from the closing of the first call for nominations.

If, after the second call for nominations, one other nomination is received, then both students are appointed to council.

After the second call for nominations if the total number of nominations exceeds the number of vacancies then all nominees will go to ballot. The two students with the most votes will serve as the Student members on school council.

HOW LONG IS THE TERM OF OFFICE FOR STUDENT MEMBERS?

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

In 2018 only, one student was elected for a one year term of office and one student was elected for a two year term of office. From 2019, students will be elected to council for a two year term of office.

WHICH STUDENT WILL SERVE THE ONE YEAR OR TWO YEAR TERM OF OFFICE?

Where the members in the Student member category have been elected by ballot to their positions, the person in Student member category with the greater number of votes shall serve the longer term of office, and the member with the second highest number of votes shall serve the shorter term of office.

For the purpose of ranking the candidates, if there is a tie between some or all of the candidates standing for election the ranking of the candidates will be determined by the drawing of lots.

Where the members in the Student member category have not been elected by ballot to their positions (an equal number of students were nominated for the same number of Student member positions), the members in that membership category may decide (by agreement amongst themselves) the term of office for each member in that membership category. Failing agreement, the term of office shall be determined by the drawing of lots.

DO YEAR 12 STUDENTS SERVE A TWO YEAR TERM OF OFFICE?

All Student members elected to council are elected to a two year term of office. Where a student who is a member of the Student member category on school council ceases to be enrolled in the school, a casual vacancy will be created for the remainder of the term of office.

For example, Year 12 students who are serving a two year term once graduated are no longer enrolled at the school and therefore cannot remain on school council. These students are eligible to stay on council until the school council election in the following year.

CAN STUDENTS SHARE THE ROLE WITH ANOTHER STUDENT?

Councillors are not permitted to share their role. Councillors are elected to council and are expected to attend all meetings and serve their full term of office.

ARE SCHOOL CAPTAINS AND SRC REPRESENTATIVES OFFERED A POSITION ON COUNCIL BEFORE OTHER STUDENTS?

While being the school captain, vice-captain or a member of the SRC may provide valuable leadership experience, no students can be offered a position in the Student membership category based on their standing within the school.

School captains and SRC members are not automatic council members. Voting for school captains, SRC representatives and Student members on school council are three distinct and separate processes. Any student interested in being a Student member of their school council is required to run for election.

CAMPAIGN RULES FOR STUDENT MEMBERS AND STUDENT ELECTORATE

Campaign literature supporting Student member candidates for school council elections may only be distributed and posted in certain places in the school grounds as designated by the principal.

The Department recommends that campaign literature not be distributed during teaching hours. Principals may decide that campaign literature be limited to: posters on the school's notice board and/or flyers distributed at lunch time on certain days of the week and/or information posted on the school's social media account(s).

School resources may not be used to support particular candidates or groups of candidates.

The principal should invite candidates to prepare a brief statement to be distributed with each ballot paper. The length is specified by the principal and is usually no longer than 150 words.

ARE STUDENTS ABLE TO ATTEND SCHOOL COUNCIL TRAINING?

Students are encouraged to attend face-to-face training offered by the Department, in consultation with the principal. The principal is responsible for providing evidence of parent/guardian permission to the training providers should the student participate in training.

The training uses the Improving School Governance package and is at no cost to schools. Training is available in the following modules: Governance, Strategic Planning and Finance. Please see the Principals Guide to School Council Elections for further information or contact the School Operations and Governance Unit at:

school.council@edumail.vic.gov.au

FACT SHEET NO 3. INFORMATION FOR STUDENTS SEEKING ELECTION TO COUNCIL

WHAT IS A SCHOOL COUNCIL AND WHAT DOES IT DO?

All government schools in Victoria have a school council. School councils are legal entities that are given powers to set the broad directions of a school in accordance with their constituting Orders and the *Education and Training Reform Act 2006*. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

WHAT ARE SOME OF THE DUTIES OF A SCHOOL COUNCILLOR?

The school council has particular functions in setting and monitoring the school's direction.

School councils have three main responsibilities:

- **Finance:** overseeing the development and expenditure of the school's annual budget and ensuring proper records are kept of the school's financial operation.
- **Strategic planning:** participating in the development and monitoring of the school strategic plan.
- **Policy development and review:** developing, reviewing and updating selected policies that reflect a school's values and support the school's broad direction outlined in its strategic plan.

Other key functions of school councils may include:

- raising funds for school related purposes
- maintaining school grounds and facilities
- entering into contracts
- reporting annually to the school community and the department
- creating interest in the school in the wider community
- representing and taking the views of the community into account
- regulating and facilitating after-hours use of school premises and grounds
- operating a children's service at the school.

WHY IS STUDENT MEMBERSHIP SO IMPORTANT?

Students have a unique perspective on learning, teaching and schools. Having student members on school council allows students to have a say in the future direction of their school and ensures student input into decision making.

Student representation on secondary school councils will assist in the development of students' skills, including leadership skills and communication skills.

DO I NEED SPECIAL EXPERIENCE TO BE ON SCHOOL COUNCIL?

Each member brings their own valuable skills and knowledge to the role. However, councillors may need to develop skills and acquire knowledge in areas that are unfamiliar to them in order to perform their duties as a councillor.

Student members are encouraged to acquire this knowledge by attending the Department's free face-to-face Improving School Governance school council training to support them to undertake their role. Training is also available online.

WHO IS ON THE SCHOOL COUNCIL?

For all schools with a student cohort of year 7 and above, there are four possible categories of school council membership:

- **A mandated elected Parent member category** – more than one-third of the total members must be from this category. Parents and guardians of children attending the school are eligible for membership in this category.
- **A mandated elected DET employee member category** – members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically a member of this category.
- **A mandated elected Student member category (2 positions)** – members of this category are enrolled at the school and in year 7 or above.
- **An optional Community member category** – members are co-opted by a decision of the council because of their special skills, interests or expertise. DET employees are not eligible to be a Community member.

HOW MANY STUDENT MEMBER POSITIONS ARE THERE ON SCHOOL COUNCIL?

All Victorian government schools with a student cohort of year 7 and above will have two mandated student member positions on school council.

CAN I SHARE THE ROLE WITH ANOTHER STUDENT?

Councillors are not permitted to share their role. Councillors are elected to council and are expected to attend all meetings and serve their full term of office.

ARE SCHOOL CAPTAINS AND SRC REPRESENTATIVES OFFERED A POSITION ON COUNCIL BEFORE OTHER STUDENTS?

While being the school captain, vice-captain or a member of the SRC can provide valuable leadership experience, no students can be offered a position in the Student member category based on their standing within the school.

School captains and SRC members are not automatic council members. Voting for student leaders at the school, such as school captains and SRC representatives, is a distinct and separate process to voting for Student school council members.

Any student interested in being a Student member of their school council is required to run for election like other council members.

HOW LONG IS THE TERM OF OFFICE?

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

In 2018 only, one student was elected for a one year term of office and one student was elected for a two year term of office. From 2019, students will be elected to council for a two year term of office.

DO I SERVE THE ONE YEAR OR TWO YEAR TERM OF OFFICE?

Where the members in the Student member category have been elected by ballot to their positions, the member in Student member category with the greater number of votes shall serve the longer term of office (two years) and the member with the second highest number of votes shall serve the shorter term of office (one year).

For the purpose of ranking the candidates, if there is a tie between some or all of the candidates standing for election the ranking of the candidates will be determined by the drawing of lots.

Where the members in the Student member category have not been elected by ballot to their positions (an equal number of students were nominated for the same number of Student member positions), the members in that membership category may decide (by agreement amongst themselves) the term of office for each member in that membership category. Failing agreement, the term of office shall be determined by the drawing of lots.

The one and two year term of office positions allocated to the two student members means, from 2019, it is likely that one student will be elected each year.

WHAT DO I NEED TO DO TO STAND FOR ELECTION?

The principal will issue a Notice of Election and Call for Nominations following the start of Term 1 each year.

If you decide to stand for election, you can arrange for a student in Year 7 or above at your school to nominate you as a candidate or you can nominate yourself (self-nomination) for the Student category.

Once the nomination form is completed, it should be returned to the principal within the stated time. You will receive a Nomination Form Receipt following the receipt of the completed nomination.

ARE THERE ANY RULES ON HOW I CAMPAIGN?

Campaign literature supporting Student member candidates for school council elections may only be distributed and posted in certain places and times as designated by the principal of your school.

School resources may not be used to support candidates.

The principal may invite candidates to prepare a brief statement to be distributed with each ballot paper. The length is specified by the principal and is usually no longer than 150 words.

NOMINATIONS FOR SCHOOL COUNCIL

Unlike the Parent or DET employee member categories, if two Student member positions are available and in the first call for nominations only one nomination is received, the student is not automatically declared elected. The principal will immediately post, in a prominent place in the school, a notice calling for further nominations. These nominations are to be received within three school days from the closing of the first call for nominations.

If after the second call for nominations one other nomination is received, then both students are appointed to council.

After the second call for nominations if the total number of nominations exceeds the number of vacancies then all nominees will go to ballot. The two students with the most votes will serve as the Student members on school council.

HOW DO I KNOW WHICH STUDENTS ARE STANDING FOR ELECTION?

If the number of nominations exceeds the number of vacant positions, an election process will be held.

Student names will be listed in random order on the voting slip.

The principal may invite candidates to prepare a brief statement to be distributed with each ballot paper.

HOW DO I VOTE?

At least seven days before the date fixed for the closure of the ballot, the principal will arrange delivery of the ballot papers.

A securely sealed ballot box or boxes in the case of multiple school campuses will be available for the casting of votes at the school between the hours of 8.00am and 4.00pm on every school day up to and including the day of the closure of the ballot.

A voter must not vote more than once in a ballot and may either post the vote back to the school or deliver the completed ballot paper to the school.

SCHOOL COUNCIL MEETINGS

School councils must meet at least eight times a year and at least once per school term. The president chairs all meetings and all members of the council are expected to attend.

Councillors can attend meetings in person or by videoconferencing or teleconferencing.

Following the school council elections, council members will determine an appropriate time and location to hold meetings throughout the year. For example, council may agree that meetings will take place on the first Wednesday of each month in the school library.

For most school councils, meetings are located at the school and are held in the evening to ensure the majority of members can attend. Meetings typically last for around 2.5 hours.

You will need to discuss and arrange transport options to and from the meeting with your parent or guardian. The school council does not provide transport.

The principal (in consultation with the school council president) will ensure an agenda is prepared for each regular meeting and distribute the agenda, draft minutes from the previous meeting and meeting papers such as sub-committee reports, principal's and president's report to school council members no less than five days before the meeting. All members, including Student members are expected to read all documents and prepare in advance of each meeting.

CONFLICT OF INTEREST

If you, as a member of council, or your immediate family has a direct conflict of interest (including a pecuniary* interest) in with a matter under discussion at a school council meeting, that member must declare the conflict of interest and must not be present during the discussion unless invited to do so by the person presiding at the meeting.

*For this purpose, pecuniary is defined as: relating to or consisting of money.

WHAT IF I CANNOT ATTEND A COUNCIL MEETING?

If a member is unable to attend a meeting, an apology should be submitted to the principal prior to the meeting.

A member of the school council may apply in writing to the president for extended leave of up to three consecutive meetings.

IS THERE TRAINING THAT I CAN ATTEND?

School councillors can attend face-to-face training offered statewide. The training uses the Improving School Governance package and is at no cost to school council members. Training is available in the following modules: Governance, Strategic Planning and Finance.

Students are encouraged to attend face-to-face training offered by the Department, in consultation with the principal. The principal is responsible for providing evidence of parent/guardian permission to the training providers should the student participate in training.

The modules are also accessible as online training. Participants can complete the modules at their own pace, in any order and are able to return to each module as many times as necessary. To access the online training see: [Improving School Governance](#) on the Department's website.

CAN A SCHOOL COUNCIL TELL A TEACHER WHAT TO DO?

A school council cannot issue instructions to teachers regarding their professional duties, or to employees of the Department in respect of their duties at the school; that is the responsibility of the principal.

If a school council has developed a school policy on certain matters and that policy is consistent with Departmental policy the council can expect the school staff to cooperate in putting the policy into practice.

IS THERE FURTHER INFORMATION AVAILABLE REGARDING THE ROLES AND RESPONSIBILITIES OF SCHOOL COUNCILS?

Further information on the roles and responsibilities of school councillors is available on the Department's website at: [School Councils](#) or in the School Policy and Advisory Guide at [School Councils](#).

CODE OF CONDUCT FOR SCHOOL COUNCILLORS

School councils in Victoria are public entities as defined by the *Public Administration Act 2004*. School councillors must abide by the *Code of Conduct – Employees* issued by the Victorian Public Sector Commission. The Code of Conduct is based on the Victorian public sector values and requires councillors to:

- **act with honesty and integrity** (be truthful, open and clear about their motives and declare any real, potential or perceived conflict of interest and duty)
- **act in good faith** in the best interests of the school (work cooperatively with other councillors and the school community, be reasonable, and make all decisions with the best interests of students foremost in their minds)
- **act fairly and impartially** (consider all relevant facts of an issue before making a decision, seek to have a balanced view, never give special treatment to a person or group and never act from self interest)
- **use information appropriately** (respect confidentiality and use information for the purpose for which it was made available)
- **exercise due care, diligence and skill** (accept responsibility for decisions and do what is best for the school)
- **use the position appropriately** (not use the position as a councillor to gain an advantage)
- **act in a financially responsible manner** (observe all the above principles when making financial decisions)
- **comply with relevant legislation and policies** (know what legislation and policies are relevant for which decisions and obey the law)
- **demonstrate leadership and stewardship** (set a good example, encourage a culture of accountability, manage risks effectively, exercise care and responsibility to keep the school strong and sustainable).

INDEMNITY FOR SCHOOL COUNCIL MEMBERS

School councillors are indemnified against any liability in respect of any loss or damage suffered by the council or any other person in respect of anything necessarily or reasonably done, or omitted to be done by the councillor in good faith in:

- a. the exercise of a power or the performance of a function of a councillor, or
- b. the reasonable belief that the act or omission was in the exercise of a power or the performance of a function of a council.

In other words, school councillors are not legally liable for any loss or damage suffered by council or others as a result of reasonable actions taken in good faith.

For further information please contact your school principal.

FACT SHEET NO 4. INFORMATION FOR PARENTS OF CHILDREN SEEKING ELECTION TO SCHOOL COUNCIL

WHAT IS A SCHOOL COUNCIL AND WHAT DOES IT DO?

All government schools in Victoria have a school council. School councils are legal entities that are given powers to set the broad directions of a school in accordance with their constituting Orders and the *Education and Training Reform Act 2006*. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

WHO IS ON THE SCHOOL COUNCIL?

For all schools with a student cohort of year 7 and above, there are four possible categories of school council membership:

- **A mandated elected Parent member category** – more than one-third of the total members must be from this category. Parents and Guardians of children attending the school are eligible for membership in this category.
- **A mandated elected DET employee member category** – members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically a member of this category.
- **A mandated elected Student member category (2 positions)** – members of this category are enrolled at the school and in year 7 or above.
- **An optional Community member category** – members are co-opted by a decision of the council because of their special skills, interests or expertise. DET employees are not eligible to be a Community member.

HOW LONG IS THE TERM OF OFFICE?

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

WHY IS STUDENT MEMBERSHIP SO IMPORTANT?

Students have a unique perspective on learning, teaching and schooling. Electing Student members onto school council allows all students to have a say in the future direction of their school and ensures student input into decision making.

Student representation school councils assists in the development of students' skills, including leadership skills, and communication skills.

DOES MY CHILD NEED SPECIAL EXPERIENCE TO BE ON SCHOOL COUNCIL?

Each member brings their own valuable skills and knowledge to the role. However, councillors may need to develop skills and acquire knowledge in areas that are unfamiliar to them in order to perform their duties as a councillor.

Student members are encouraged to attend the Department's free face-to-face Improving School Governance school council training to support them to undertake their role. Training is also available online.

WHAT DOES MY CHILD NEED TO DO TO STAND FOR ELECTION?

The principal will issue a Notice of Election and Call for Nominations following the start of Term 1 each year.

If your child decides to stand for election, they can arrange for a student in Year 7 or above to nominate them as a candidate or they can nominate themselves for the Student member category.

Once the nomination form is completed, it should be returned to the principal within the time stated on the Notice of Election. A Nomination Form Receipt will be issued following the receipt of the completed nomination.

Unlike the Parent or DET employee member categories, if two Student member positions are available and in the first call for nominations only one nomination is received, the student is not automatically declared elected. The principal will immediately post, in a prominent place in the school, a notice calling for further nominations. These nominations are to be received within three school days from the closing of the first call for nominations.

If after the second call for nominations one other nomination is received, then both students are appointed to council.

If there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

The principal will distribute ballot papers and will provide clear instructions to the voters and candidates. Voters may only vote once in a ballot. The two candidates with the highest number of votes will be elected to council.

SCHOOL COUNCIL MEETINGS

School councils must meet at least eight times a year and at least once per school term. The president chairs all meetings and all members of the council are expected to attend.

Councillors can attend meetings in person or by videoconferencing or teleconferencing.

Following the school council elections, council members will determine an appropriate time and location to hold meetings throughout the year. For example, council may agree that meetings will take place on the first Wednesday of each month in the school library.

For most school councils, meetings are located at the school and are held in the evening to ensure the majority of members can attend. Meetings typically last for around 2.5 hours.

You will need to discuss and arrange transport options to and from the meeting with your child. The school council does not provide transport.

The principal (in consultation with the school council president) will ensure an agenda is prepared for each regular meeting and distribute the agenda, draft minutes from the previous meeting and meeting papers such as sub-committee reports, principal's and president's report to school council members no less than five days before the meeting. All members, including Student members are expected to read all documents and prepare in advance of each meeting.

CONFLICT OF INTEREST

If your child, as a member of council, or their immediate family has a direct conflict of interest (including a pecuniary* interest) in a matter under discussion at a school council meeting, that member must declare the conflict of interest and must not be present during the discussion unless invited to do so by the person presiding at the meeting.

*For this purpose, pecuniary is defined as: relating to or consisting of money.

CAN I ATTEND COUNCIL MEETINGS WITH MY CHILD?

School council meetings are normally open to the school community. Visitors or observers can be present at a council meeting with prior agreement of the principal and a decision of council. A request to attend must be forwarded either to the principal or president.

There may be times when, for the purpose of confidentiality or other reasons, a council meeting needs to be closed and only the appointed members can attend.

I AM A PARENT MEMBER OF THE COUNCIL. CAN I BE A MEMBER OF THE SAME COUNCIL AS MY CHILD(REN)?

Yes, relatives are allowed to be members of the same council.

WHAT IF MY CHILD CANNOT ATTEND A COUNCIL MEETING?

If a member is unable to attend a meeting, an apology should be submitted to the principal prior to the meeting.

A member of the school council may apply in writing to the president for extended leave of up to three consecutive meetings.

WHAT IF MY CHILD DECIDES THEY NO LONGER WANT TO BE A MEMBER OF COUNCIL?

The Department strongly encourages students to consider the time commitment of being on council prior to running for election.

Your child should discuss resigning from council with the principal or school council president.

A school councillor is required to formally submit their resignation from council in order to no longer be considered a member.

FACT SHEET NO 5. NOMINATING AND VOTING OTHERS TO THE STUDENT MEMBER CATEGORY

WHAT IS A SCHOOL COUNCIL AND WHAT DOES IT DO?

All government schools in Victoria have a school council. School councils are legally constituted bodies that are given powers to set the broad directions of a school in accordance with their constituting Orders and the *Education and Training Reform Act 2006*. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

WHAT ARE SOME OF THE DUTIES OF A SCHOOL COUNCILLOR?

The school council has particular functions in setting and monitoring the school's direction.

School councils have three main responsibilities:

- **Finance:** overseeing the development and expenditure of the school's annual budget and ensuring proper records are kept of the school's financial operation.
- **Strategic planning:** participating in the development and monitoring of the school strategic plan.
- **Policy development and review:** developing, reviewing and updating selected policies that reflect a school's values and support the school's broad direction outlined in its strategic plan.

Other key functions of school councils may include:

- raising funds for school related purposes
- maintaining school grounds and facilities
- entering into contracts
- reporting annually to the school community and the department
- creating interest in the school in the wider community
- representing and taking the views of the community into account
- regulating and facilitating after-hours use of school premises and grounds
- operating a children's service at the school.

WHO IS ON THE SCHOOL COUNCIL?

For all schools with a student cohort of year 7 and above, there are four possible categories of school council membership:

- a mandated elected **Parent** member category
- a mandated elected **DET** employee member category

- a mandated elected **Student** member category (2 positions) – members of this category are enrolled at the school in year 7 or above
- an optional **Community** member category.

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

WHY IS STUDENT MEMBERSHIP SO IMPORTANT?

Students have a unique perspective on learning, teaching and schooling and having student members on school council allows students to have a say in the future direction of their school and ensures student input into decision making.

Student representation on secondary school councils will assist in the development of students' skills, including leadership skills and communication skills.

DO CANDIDATES NEED SPECIAL EXPERIENCE TO BE ON SCHOOL COUNCIL?

Each member brings their own valuable skills and knowledge to the role. However, councillors may need to develop skills and acquire knowledge in areas that are unfamiliar to them in order to perform their duties as a councillor.

Student members are encouraged to acquire this knowledge by attending the Department's free face-to-face Improving School Governance school council training to support them to undertake their role. Training is also available online.

HOW DO I NOMINATE A CANDIDATE FOR A POSITION ON COUNCIL?

The principal will issue a Notice of Election and Call for Nominations following the start of Term 1 each year.

Students can arrange for a student in Year 7 or above to nominate them as a candidate or they can nominate themselves for the Student category.

Once the nomination form is completed, it should be returned to the principal within the time stated on the Notice of Election. A Nomination Form Receipt will be issued following receipt of the completed nomination.

Generally, if there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

HOW DO I KNOW WHICH STUDENTS ARE STANDING FOR ELECTION?

If the number of nominations exceeds the number of vacant positions, an election process will be held.

Student names will be listed in random order on the voting slip.

The principal may invite candidates to prepare a brief statement to be distributed with each ballot paper.

Note: Voting for student leaders at the school, such as school captains and SRC representatives, is a distinct and separate process to voting for Student school council members.

HOW DO I VOTE?

At least seven days before the date fixed for the closure of the ballot, the Principal will arrange delivery of the ballot papers.

A securely sealed ballot box or boxes in the case of multiple school campuses will be available for the casting of votes at the school between the hours of 8.00am and 4.00pm on every school day up to and including the day of the closure of the ballot.

A voter must not vote more than once in a ballot and may either post the vote back to the school or deliver the completed ballot paper to the school.

For further information please contact the school principal.

APPENDIX B: EXAMPLES OF ASSESSING NEED FOR ELECTION AND DETERMINING ELECTION RESULTS

MORE NOMINATIONS THAN VACANCIES

If the number of nominations is more than the number of vacancies in one of the membership categories, a ballot is required for that membership category.

Example 1

There are three Parent vacancies. Because of the council size and configuration only two DET parents may fill Parent member positions. Nominations are received from five people, A, B and C, all of whom are DET parents, and D and E, who are not DET employees. A ballot for the three positions has to be held. Use Schedule 6A.

The candidates receive the following number of votes:

A	250 votes
B	230 votes
C	130 votes
D	125 votes
E	85 votes

The people to be declared elected are A, B and D. Candidate C, who is in the DET parents category, does not get elected because of the limit on the number of parents who are DET employees on council.

Example 2

There are three Parent vacancies. Given the size and configuration of the council, only two DET parents may fill Parent member positions. Nominations are received from three people all of whom are DET parents. Only two of these people can be elected, therefore a ballot needs to be held.

With respect to the one remaining position, a further call for nominations needs to be made in accordance with procedures for insufficient nominations. If more than one nomination is received for this final position a separate ballot will need to be conducted. Use Schedule 6C for both ballots.

NOMINATIONS EQUAL THE NUMBER OF VACANCIES IN THE PARENT AND DET CATEGORIES

When the number of nominations is equal to the number of vacancies in any one membership category, the principal must:

- check the number of DET employee/parent nominations in the Parent member category to ensure this does not exceed the number allowed;

- subject to the above, declare elected those who have nominated;
- notify the school community that a ballot will not be held for that membership category within three school days.

INSUFFICIENT NOMINATIONS IN THE PARENT AND DET CATEGORIES

When the number of nominations is less than the number of vacancies in any one membership category, the principal must:

- check the number of DET employee/parent nominations in the specific member category to ensure this does not exceed the number allowed
- subject to the above, declare elected those who nominated in that category
- immediately call for further nominations. Nominations are to be lodged within three school days from the date of the closing of the first call for nominations
- if the further nominations are equal to or are less than the remaining positions in that membership category, declare these people duly elected. Any positions remaining unfilled become casual vacancies
- if there are more nominations than the remaining positions, conduct a ballot for the remaining positions. The original timeline must be adhered to so notice must be distributed at least seven days prior to the day fixed for the closure of the ballot.

INSUFFICIENT NOMINATIONS IN THE STUDENT ELECTORATE

- For Student member elections, if two Student member positions are available and in the first call for nominations only one nomination is received, the student is not automatically declared elected.
- If, after the second call for nominations one other nomination is received, then both students are appointed to council.
- If the total number of nominations received in this round exceeds the number of vacancies then all nominees will go to ballot.
- If there is one vacancy in the student electorate and there are no nominations, call for a second round of nominations. If, after the second call for nominations, the total number of nominations submitted exceeds the number of vacancies then all nominees will go to ballot.

APPENDIX C: NEW SCHOOLS – THE FIRST SCHOOL COUNCIL ELECTION

To start the first school council election process, the principal posts or arranges delivery of Schedule 3 Notice of Election and Call for Nominations to the electorates of the school as well as placing the Notice in a prominent position in the school within the timeframe set out in the constituting Order for the school council.

The principal identifies the number of positions to be the subject of the election by referring to Schedule 1 of the school council's constituting Order which can be accessed online at [Schedule 7 School Council Membership Schedule](#).

Further information on school council membership and eligibility of candidates is located on page 14 of this Guide.

TERM OF OFFICE

Half the number of members in each of the Parent, DET employee and Student member electorates serve a term of office from the date of their election to the date of declaration of the poll in the following year, and the other half serve from the date of their election to the date of declaration of the poll in the second calendar year following their election.

To determine which members, elected by ballot, serve a two or one year term of office, the members with the greatest number of votes serve the longer term of office and those with the lesser number of votes serve the shorter term of office.

Where all the members in a membership category are not elected by ballot, the members in that membership category may decide (by agreement amongst themselves) their term of office. Failing agreement, the term of office shall be determined by the drawing of lots.

APPENDIX D: CASUAL VACANCIES

A casual vacancy is created when a council member:

- dies
- becomes bankrupt
- becomes of unsound mind
- delivers or emails a letter of resignation to the school office or to the president of the school council
- is sentenced for any indictable offence
- is a registrable offender within the meaning of the *Sex Offenders Registration Act 2004*
- ceases to be eligible for the particular membership category under which he/she was elected or co-opted
- is absent from three consecutive council meetings without special leave previously granted by council and subject to a decision of council
- in the DET employee member category goes on any form of leave (including family leave, secondment), with or without pay, from employment with DET for a period of more than six months
- in the Parent member category becomes a DET employee during their term of office in circumstances where this causes the school council to be in breach of the requirement that the majority of a school council's total membership must be persons who are not DET employees
- is found to have been ineligible for election or co-option to council
- in the Student member category, ceases to be enrolled in the school
- in the Student member category, goes on any form of leave from the school for a period of more than six months.

Where a student ceases to be enrolled at a school, the student's parents are no longer eligible to serve on council as parent members. The exception is when the student finishes at the end of the normal school year for the student's year level, in which case, the parents may continue on council until the next year's council election.

A casual vacancy is also created if a member of school council is appointed as a principal of the school, other than if the appointment is temporary. An appointment for more than twelve continuous weeks shall not be considered temporary.

HOW CASUAL VACANCIES ARE TO BE FILLED

Casual vacancies are to be filled by co-opting persons to the relevant membership category. Persons are eligible for co-option to member categories provided they are eligible to be elected to the relevant membership category.

DET employees whose children are enrolled in a school other than where they work can be co-opted to fill positions in the Parent member category subject to the availability of positions, provided there is no breach of the requirement that the majority of a school council's membership must be persons who are not DET employees.

Any person who fills a vacant position created by a casual vacancy serves the unexpired portion of the vacating member's term of office.
