Channel 7 Melbourne is proudly supporting the 2023 Victorian State Schools Spectacular. A special broadcast with behind-the-scenes highlights will air at 7pm on Saturday December 9 on Seven in Victoria. It will also be streaming nationally on 7plus for 60 days from the broadcast date.

The Hon. Natalie Hutchins MP

Minister's Message

Welcome to the Victorian State Schools Spectacular for 2023. Every year this is such an exciting, uplifting, and fun event.

It's wonderful to showcase all of Victoria's talented and creative students – performing both in the spotlight and behind the scenes.

Congratulations to everyone involved on your hard work throughout the months of training and rehearsals. It has more than paid off as you've gotten here to this very special occasion.

I love this year's theme – 'Happy Travels'. It's so heartwarming to see you all celebrating the joy of exploring new places and connecting with different people. This event is always Melbourne's biggest spectacular of song, dance, and stagecraft.

This year I'm so pleased it will be enriched by a score of global music from the Pacific, Italy, and Japan. Of course, First Nations people are right where they should be – centre stage.

I know there will be a lot of proud families, friends, teachers, and school community members cheering you on. I'm sure you'll feel the thrill of performing at a venue on the scale of the John Cain Arena and for a Channel Seven broadcast.

Enjoy yourselves.

The Hon. Natalie Hutchins MP
Minister for Education
Minister for Women

Welcome to Country

Thousands of years ago, the Wurundjeri people – my people, my father's people – lived here on these lands long before buildings were here.

They danced, they sang in a beautiful performance like in the Spectacular – and our dance was called Coroboree. Time and time again they echoed those words because of their language they were able to keep singing. As time's gone by, I too have had the privilege of being able to speak my language, the Woiwurrung.

I'd like to pay my respects to all ancestors, elders and communities across this great nation and neighbouring islands. To each and every one of you – from all your very many cultures – can I acknowledge you, your family and your community. I'd also like to say to you that we the Wurundjeri Woiwurrung are called the Manna Gum people. Not only is this Manna Gum important to keep our koalas alive, we must all remember that it's also about the gift of the land that we give to you. I would ask you to take a leaf.

We share this together. Coming together is such a wonderful thing for all people of many cultures. It also means accepting this gift that you are welcome to everything, from the tops of these beautiful trees to the roots of the earth. You've now joined with my ancestors to nurture this land so that you today, and the many children that follow, will have as good a life, or even better in a stronger environment. Our language is the Woiwurrung Wominjeka Wurundjeri Balik Yemen Kundi Bek.

Thank you so much to everyone involved in State Schools Spectacular. You all have had such a great time pulling this show together again. My heart is with you. You are most welcome to the traditional lands of the Wurundjeri Woiwurrung people.

Auntie Jay Wandin Murphy A.O.

Message from the.... Creative Director

Neill Gladwin

Award winning performer and director (Green Room Award and International Perrier Awards), Neill's career encompasses Olympic and Paralympic Games ceremonies, comedy, physical theatre, opera, Shakespeare, films and television. Formerly half of internationally renowned comedy duo Los Trios Ringbarkus, Neill has directed productions for many of Australia's major subsidised theatre companies, independent theatres and commercial presenters, as well as produced and executive produced for film and television. Neill recently directed *Otto* and *Astrid's Joint Solo Project*, scheduled for touring Australia, Edinburgh and North America in 2023.

Happy Travels captures the spirit of travel and adventure, as we follow an intrepid group of circus travellers when they leave the comfort of home for the rigours and excitement of travel. Visiting countries and cities, we see them eventually return home to the open arms of their loved ones.

Leaving home to explore the world is an integral part of growing. The exploration that starts on a neighbourhood level, for some, culminates in a world wide level.

Our world, so magnificent, so fragile requires care. This year's theme and musical items, once again generated by the cast, provides a generational perspective on the care of the planet and the kind of world these young people wish to live in.

We hope you have as much fun watching it as we had in making it.

Happy
Travels!

BEHIND THE SCENES - CREW

Through the Victorian State Schools Spectacular, students from government schools are provided with invaluable experience and unique opportunities to work with some of the industry's leading award-winning professionals behind the scenes on audio, lighting and video production, stage management, costuming, hair and make-up. Students interested in technical disciplines participate in a structured program of factory workshops with our suppliers as part of their preparation for production week at John Cain Arena. Stage Management students also spend many months attending rehearsals under the guidance of our team of industry professionals.

THE VICTORIAN STATE SCHOOLS

SPECTACULAR

Be Part of Something SPECTACULAR in 2024!

As you've seen, every year thousands of students from Victorian government schools take part in one of the largest performing arts events in Australia – the Victorian State Schools Spectacular.

Students benefit from the amazing experience of being involved in a major arena production that is televised.

A training and rehearsal program is run by industry professionals to get students ready for show day. Participation is free!

STUDENT MAIN CAST & CREW

If you are a musician, dancer, singer, acrobat, circus performer, gymnast, beat boxer, skater, puppeteer, skipper, magician – or you have a rock band or another skill – audition for the main cast. You can audition in person or upload a video.

If you are interested in behind-the-scenes roles in audio, lighting, cameras or stage management, you can register to be involved.

SCHOOL GROUPS

Schools can register their interest to participate in the mass choir or dance groups, or nominate to showcase their own specialty group, like a jazz ensemble, Auslan choir, taiko drummers, ballet and hip hop dancers.
