

## Dicing with life

### *Dicing with life*

Roll a dice three times (one for each of Settings, Skills and Opportunities) and work out what type of career you have. Research and identify the types of jobs that fit with these three aspects. Discuss how doing this type of work would effect your life.

Dice roll	Settings	Skills	Opportunities
1	Outdoors	Computer skills	Can travel
2	Office or large building	Analysis and mathematics	Can make a lot of money
3	Travelling around	People skills	Can meet a wide range of people
4	Lots of people around	Leadership	Can help a lot of people
5	Lots of machinery	Physical strength	Highly regarded by society
6	Visiting a variety of places	Drama and acting skills	Can solve difficult problems
