

Zandra Zero

Zandra, your really annoying and bossy boss, has invented a new soft drink and wants to name it after herself!

In teams work out this problem.

Zandra the Director of R & D wants to name her new soft drink “Zandra Zero”. Fifteen minutes from now, a representative from your team will need to present Zandra with a short report that will convince her to use a better name. Your team needs to invent about three new cola names and then present a report for Zandra.
