

Stage A1 beginning example 1

The student
Year Level: Prep
Background: born in Australia
Language: Vietnamese
Schooling: began Prep in Victoria

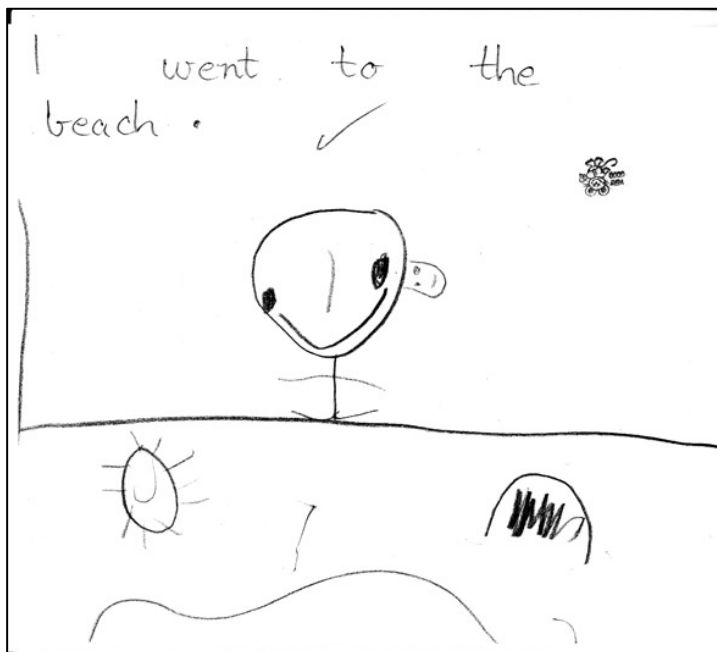

The task
The children were asked to write or draw about their weekend after a discussion.

The text shows that the student:

draws to illustrate an activity

uses an illustration as a prompt for a scribe to write for him

dictates a sentence for the teacher to write

This text is an example of a student at beginning A1. The child drew about a personal experience and then dictated a sentence (or it may have been a sentence fragment) for the teacher to write.
