

# 2018 Victorian Employers Skills Survey

## Western Metro

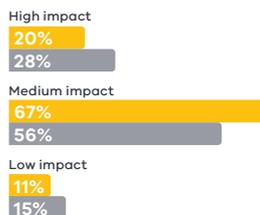

Of the 13,600 employers who responded to the *Victorian Employer Skills Survey* in 2018, nearly 2,650 were located in the Western Metro region. Employers report that skills are important to productivity, but many are facing challenges filling jobs and finding the right applicants with the right skills. These challenges are faced both now, and are expected to continue into the future. However, a high proportion of employers that access training to improve the skills of their workforce report a positive impact on productivity and return on investment.

The statistics below reflect the experience of employers from the Western Metro region compared to the overall Victorian average.

### Skills are important to productivity

Businesses with a lack of skills found it had a medium impact on workplace productivity.

### Impact of insufficient workforce skills

Businesses lacking skills mainly reported the following workplace issues:

■ Western Metro Region ■ Victoria

### Managing the skills of the workforce

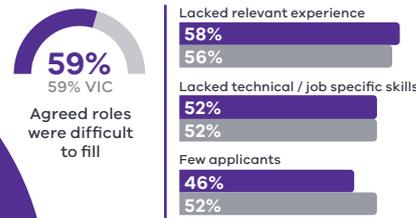

Employers reported that recruitment was challenging due to candidates not having the required skills or being job ready.

More than a quarter of employers saw the need to improve the skills of existing staff.
