

Victorian Learn Local Professional Learning Program

Learn Local Leadership Masterclass Series

The 2020 Program has now been adapted in response to COVID-19 to be delivered online.

Through the **VET Development Centre (VDC)**, the **Victorian Department of Education and Training (DET)** aims to improve the capability and capacity of the pre-accredited VET sector by making a range of professional learning opportunities available to Learn Local providers.

The professional learning opportunities reflect the goal of the **Pre-accredited Quality Framework** to ensure that quality and continuous improvement are embedded throughout all aspects of pre-accredited planning, program design and delivery, including improved learner pathways.

Description:

The **Learn Local Leadership Masterclass** series have been designed and adapted into **highly interactive virtual masterclasses** for 25 participants. These sessions are for **leaders, managers and committee members** working within Learn Local providers. The virtual masterclasses will focus on delivering workforce development training to improve the knowledge, skills and practice.

This virtual masterclass will also include access to an **e-book learning resource** for those who attend.

The Learn Local Leadership Masterclass Series have a **follow up session** where you have an **opportunity post the virtual masterclass to reconnect with the facilitator and group** in a one-hour session. These online sessions are a chance to network, share insights and consolidate learning. *Attendees of the virtual masterclasses will receive a registration link to these sessions.*

Virtual Masterclass 1 – Governance and Leadership for Learn Locals

Objectives:

- Build familiarity with the VET landscape for Board members and executives
- Understand governance of not-for-profit organisations
- Understanding reporting requirements and legal obligations.
