

Your task: Write approximately 400 words, describing a housing style in Indonesia, to contribute to a guide for primary school students.

Your audience: Primary school students in Indonesia

1. Choose a particular housing style found in Indonesia. It may be a style typical of a rural setting or an urban setting. It may be a style typical of an ethnic group, such as the Minangkabau people, the Balinese, the Bataks, the Toraja people or the Dayaks.
2. Search the Internet, books, encyclopedias and other resources to find useful information and pictures.
3. Describe the dwelling style (200 words approximately in Indonesian). Include pictures.
4. Explain the influences behind this housing style. They could include:
 - cultural beliefs and traditions
 - climate
 - rural / urban lifestyle
 - socio-economic conditions(200 words: in Indonesian or English)
