Ti piace giocare col computer?

Sì, mi piace giocare col computer.

Ti piace leggere?

No, non mi piace leggere.

Instructions

- This activity requires 2 - 4 students.
- Cut out each of the four cards above. Each student takes one card.
- The first student asks "Ti piace giocare col computer?" The other students then answer using their card as a guide.
- Students then take turns asking the other students if they like the remaining sports/activities.

Name: _____
