4. Abiti vicino o lontano?

Name:

► **Instructions:** Complete this task as a class.

- Using a screen or interactive whiteboard open Google maps and show the location of the school.

- In turn the teachers asks each student "Where do you live?" They must answer in Italian, saying the street they live in.

- The teacher locates the students house on the map and asks " Do you live near or far from school"

- The student must answer in Italian.

- As a variation students can take turns asking the questions.
