Play the Snakes and Ladders game in pairs or small groups.

► **Getting set up:**
- Cut out the faces below to use as counters.
- Cut out the Question Cards and the Mystery Cards.
- You will also need a dice.

► **How to play the game:**
- Shuffle the Question Cards and the Mystery Cards and place them face down in two piles.
- To begin, each player rolls the dice once. The player with the highest number has first turn.
- To move up a ladder you must first answer a Question Card. Do this by turning over a Question Card so that all players can see.
- The player to your left asks the question, you must answer using the Spanish word for the family member shown on the card.
- If your answer is correct move up the ladder!
- If you land on a '!' square you must turn over a Mystery Card. The player to your left asks the question, and you must answer and follow the directions on the card.
