### ► Instructions:

- Play this game of snap with 2 or more players.
- Cut out all the cards and shuffle them together. Deal all the cards out evenly between the players. Players should not look at their cards.
- Players then take turns to play one card at a time by turning it face up and placing it on a pile in the middle. Players must ask the question '**Nasılsın?**' each time they play a card.

  - *sick looking boy or girl the player must call out 'İyi değilim.'*
- The first player to call out the correct answer wins the pile . That player then continues the game by starting a new pile.
- The overall winner is the player who wins all the cards.
