

# 7. Introducing my family

Chinese, Part 3: Family members

► **Instructions:** Introduce your family to the rest of the class.

Choose a set of digital photos of your family. Make these photos into a presentation your class can view on screen or on the IWB. You can make a PowerPoint slideshow, a Photo Story or a VoiceThread (visit <http://voicethread.com/> )

Record yourself introducing each member of the family as part of the photo presentation.

Your introduction should include:

- *Who the person is in relation to you*
- *His/her name and age*
- *Any other information you can say*
