

## 4. Bingo

1	2	3	4	5
6	7	8	9	10

### Instructions

- Play a game of Bingo, using the numbers 1 to 10.
- Cut out the circled numbers and put them in a bag.
- Play in small groups. Each group chooses the person who is going to draw and read out the numbers. The other people each fill in one of the tables below with six numbers of their choice from 1 to 10.
- The person chosen to draw, will read out the numbers. If the players have the number drawn on their table, they mark it.
- The first person to mark all the numbers on their table and to call out 'Bingo', is the winner.
