

2. Song - I live in ...

*I live in Frederick Street.
I have many friends and neighbours.
I live in Frederick Street
With mum and dad.
I live in Frederick Street,
with mum and dad, at number 2.*

*And where do you live?
I live in Melbourne.
Yes, but where do you live?
In Barkly Street, 43.*

*And where do you live?
I live in Frederick Street.*

*I live in Frederick Street,
With mum and dad.*

*I live in Frederick Street, with mum and dad,
at number 2.*
