

### 3. Who is the first?

first

second

third

fourth

fifth

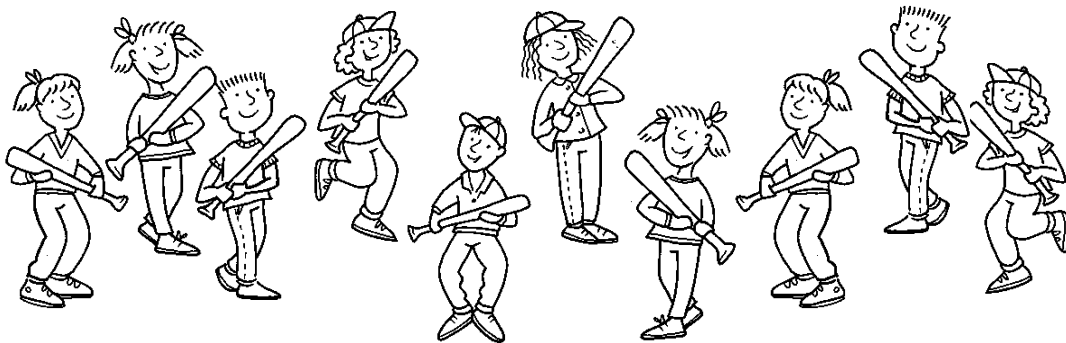

sixth

seventh

eighth

ninth

tenth

#### Instructions

- Work in groups of ten.
  - Line up and in turns, say which position you are in, using ordinal numbers.
- Eg: I am the first.

I am the second.

- When your group has reached the end of the line, everyone changes place within the group, so you can start counting again.
