

## 4. Снап

Name: \_\_\_\_\_

### ► Instructions:

- Play this game of snap with 2 or more players.
- Cut out all the cards and shuffle them together. Deal all the cards out evenly between the players. Players should not look at their cards.
- Players then take turns to play one card at a time by turning it face up and placing it on a pile in the middle. Players must ask the question '**Како си?**' each time they play a card.
- If there is a matching pair of cards, the players must call out the answer that best suits the faces on the cards. For example, if the matching pair is a:
  - *well looking **girl*** the player must call out '**Добра сум**'
  - *well looking **boy*** the player must call out . '**Добар сум**'
  - *so - so looking girl or boy* the player must call out '**Така така**'
  - *sick looking **girl*** the player must call out '**Не сум добра**'
  - *sick looking **boy*** the player must call out '**Не сум добар**'
- The first player to call out the correct answer wins the pile . That player then continues the game by starting a new pile.
- The overall winner is player who wins all the cards.
