Notes:

Interpretation

- A. This Order is a subordinate instrument under the Act. This Order uses many terms that are defined in the Act. Under section 23 of the **Interpretation of Legislation Act 1984**, expressions used in a subordinate instrument have the same respective meanings as they have in the Act under which they are made. For this reason, this Order does not define terms such as *Department*, *Government school*, *parent*, *principal*, and *Secretary*.

Forms

- B. This Order prescribes a number of forms for various purposes, such as forms to be used in school council elections. A failure to observe strict compliance with requirements for a prescribed form is unlikely to make the form (and anything done under or through it) invalid: see section 53 of the **Interpretation of Legislation Act 1984**, which provides that “[w]here a form is *prescribed* by an Act or *subordinate instrument* for any purpose, any form in or to the like effect of the prescribed form shall, unless the contrary intention appears, be sufficient in law” (emphasis added).
