

eduPass Fast Card Unlock a Student's eduPass Account

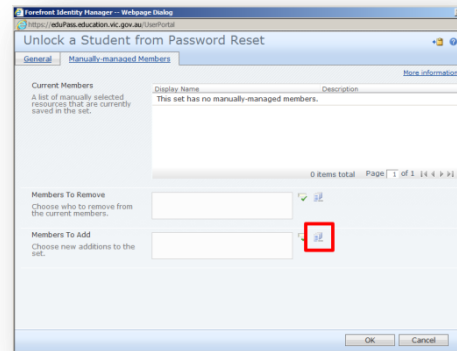

Introduction

You can unlock a student's eduPass account. This may be required for a student whose self-service password reset (SSPR) function has been locked for security reasons.

1.

3.

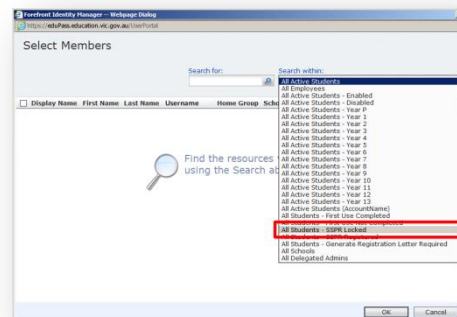

Click on the **Browse** icon to add a student.

4.

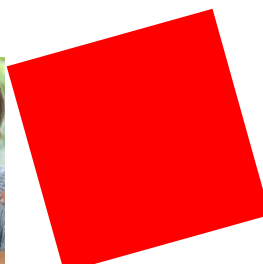

From the Administration Home page, click on the **Unlock a Student from Password Reset** link.

2.

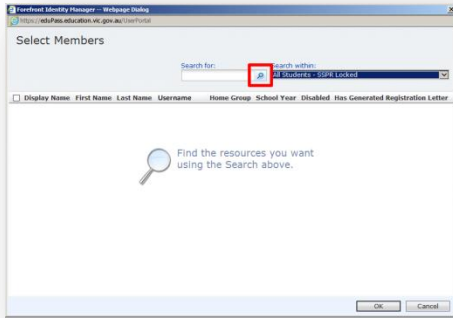

Click on the **Manually-managed Members** tab.

You can use the **All Students – SSPR Locked** filter to narrow your results to show only students whose accounts are locked.

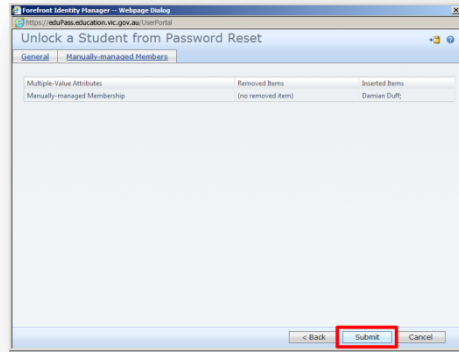

5.

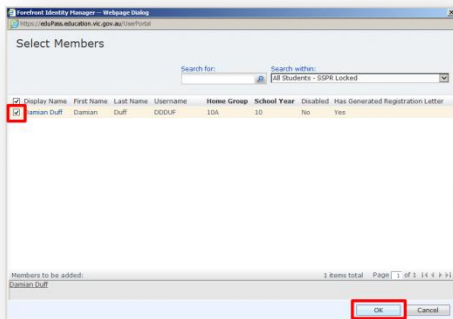

Click on the **Search** icon beside the **Search for** field.

8.

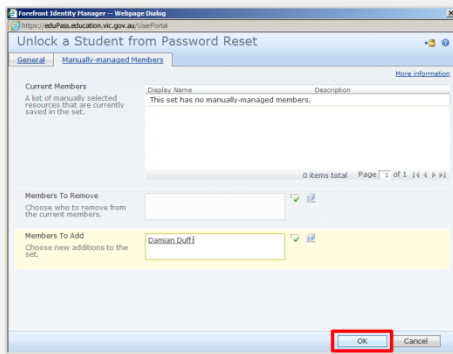

Click on the **Submit** button and the student will now have access to the Self Service Password Reset facility again.

6.

Select the student using the check box and click on the **OK** button.

7.

Click on the **OK** button.
