WHEN DO I COMPLETE THE EDUPAY CONFLICT OF INTEREST DECLARATION FORM?

When do I need to use the eduPay form?
- The form should be completed whenever a conflict arises between your private interests and public duty. Your private interests can be financial and non-financial, and can include the interests of family members and close friends or associates. Your public duty is activities that you undertake as part of the performance of your role.

Do I need complete the form if I have nothing to declare?
- No; the form only needs to be completed when you identify a conflict of interest. Unlike the Declaration of Private Interests form which needs to be completed annually (and updated when circumstances change), the Declaration of Conflict of Interest form only needs to be completed when a conflict of interest arises for you. If you have no conflicts of interest to declare, it does not need to be completed.

Do I need to declare historical conflicts of interest in this form?
- You do not need to enter past conflicts of interest that are no longer active. You only need to enter any existing or new conflicts of interest in the form.
- If you have an existing conflict of interest (such as a family member on your staff), you now need to record this declaration and management steps in place in the eduPay form. If you have an existing record in writing of management steps in place, you can copy this into the form and submit for approval.

What do I do with recent email-based COI declarations I sent to my manager?
- If the COI still exists, you will need to create an entry on eduPay. You can copy and paste email approval into the free text boxes in the form and submit for approval.

HOW DOES THE EDUPAY CONFLICT OF INTEREST DECLARATION FORM WORK?

How do I access the online form?
- The COI declaration form is available to all Department employees in eduPay in the Employee Self Service portal.

How does the form work?
- Staff should complete a new declaration whenever a conflict of interest arises. The form prompts the entering of relevant information, including any steps to manage and mitigate risk created by the COI.
- Declarations are submitted via a workflow notification to the declarant’s manager/principal for approval.
- Declarations made by school principals have an additional step requiring Area Executive Director review of the declaration. Area Executive Directors then submit a recommendation, via a workflow, to the Regional Director for approval.

What happens if I require urgent approval of a declaration?
- If you require urgent approval of your declaration and proposed management steps (for example, to proceed with a recruitment or procurement process), you should discuss the matter with your manager or principal, or Senior Education Improvement Leader.
or Area Executive Director, and gain approval without waiting for approval via the eduPay form. The COI declaration form must then be submitted in eduPay to record your declaration and agreement on management steps.
