

4. Le loto

► Instructions

This game requires 3-6 players and a caller.

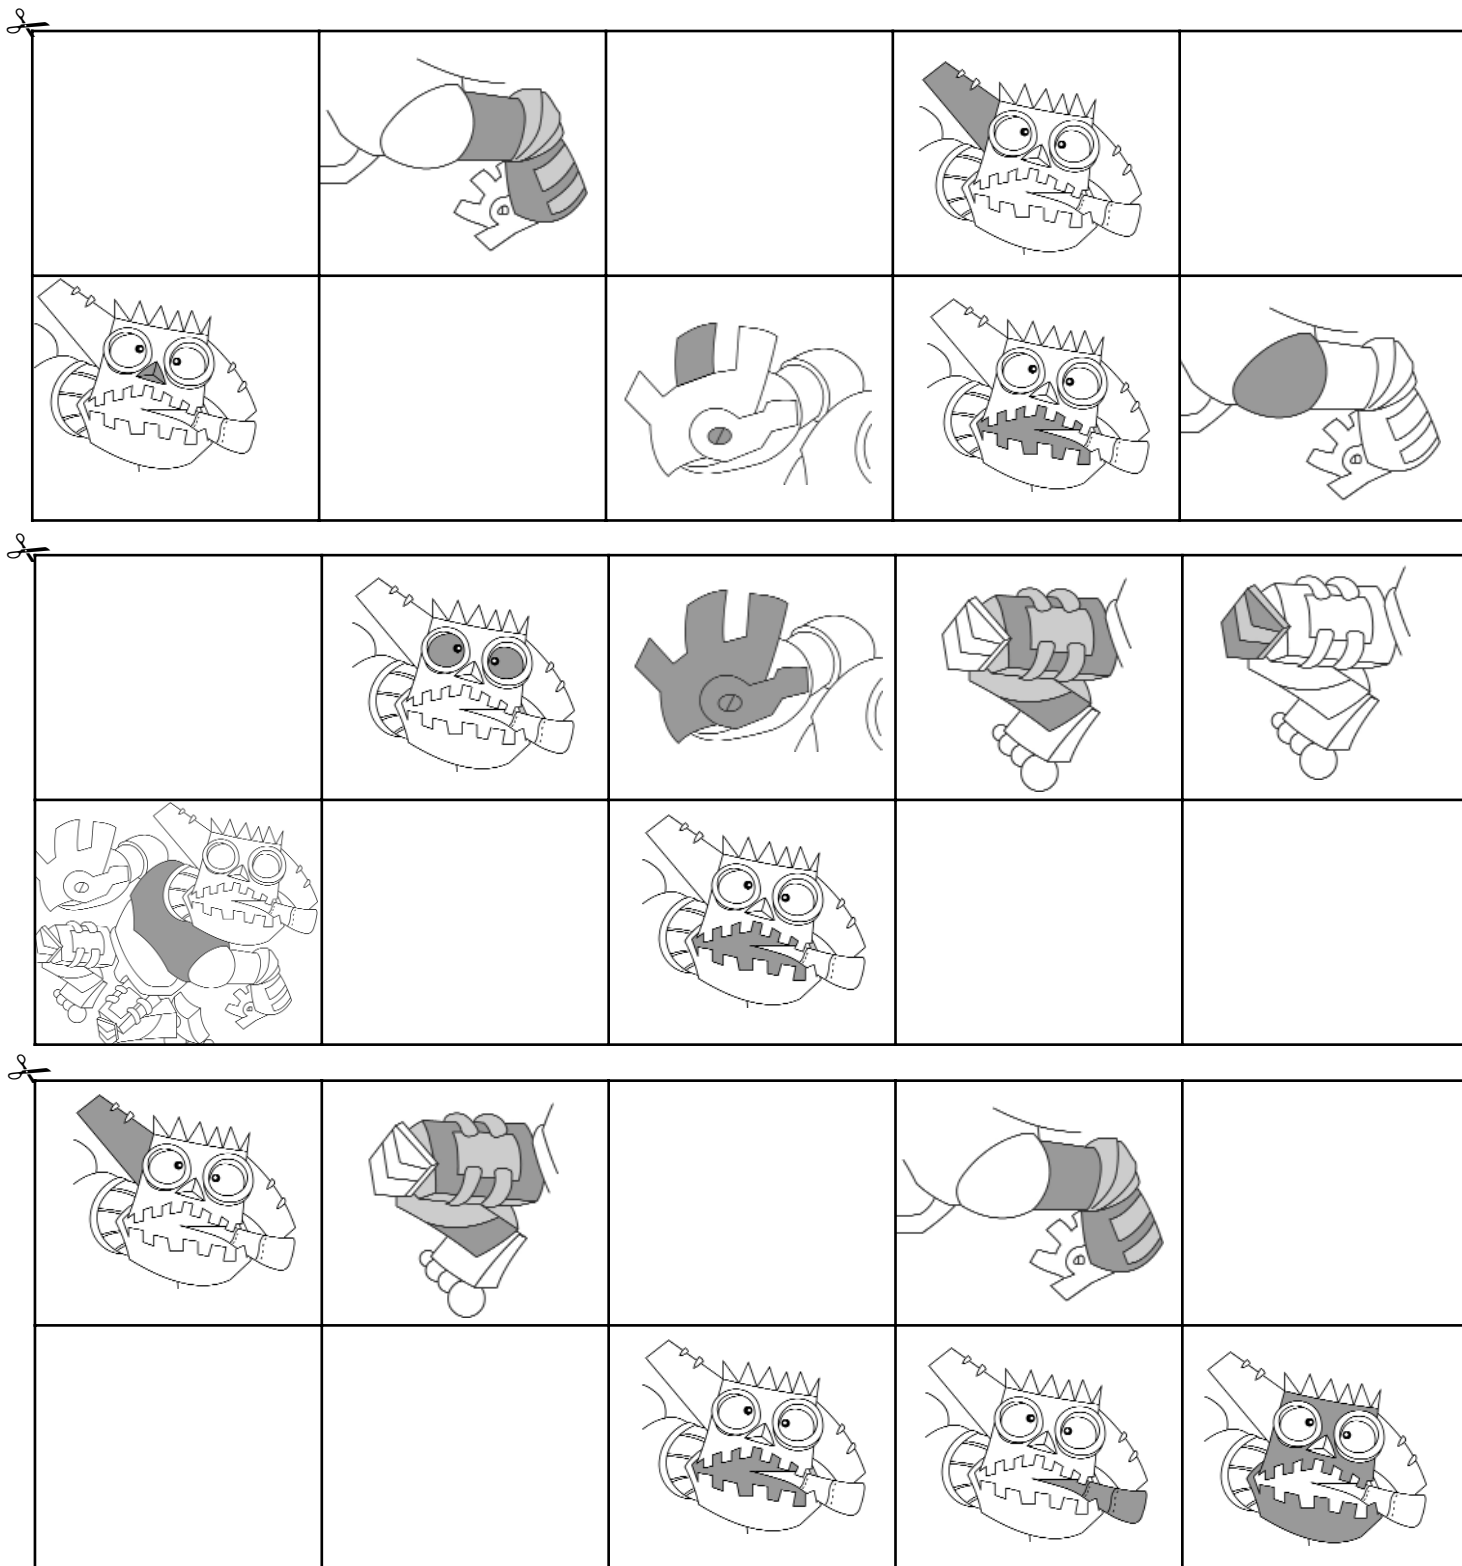

Cut out the Loto cards and all the word tiles.

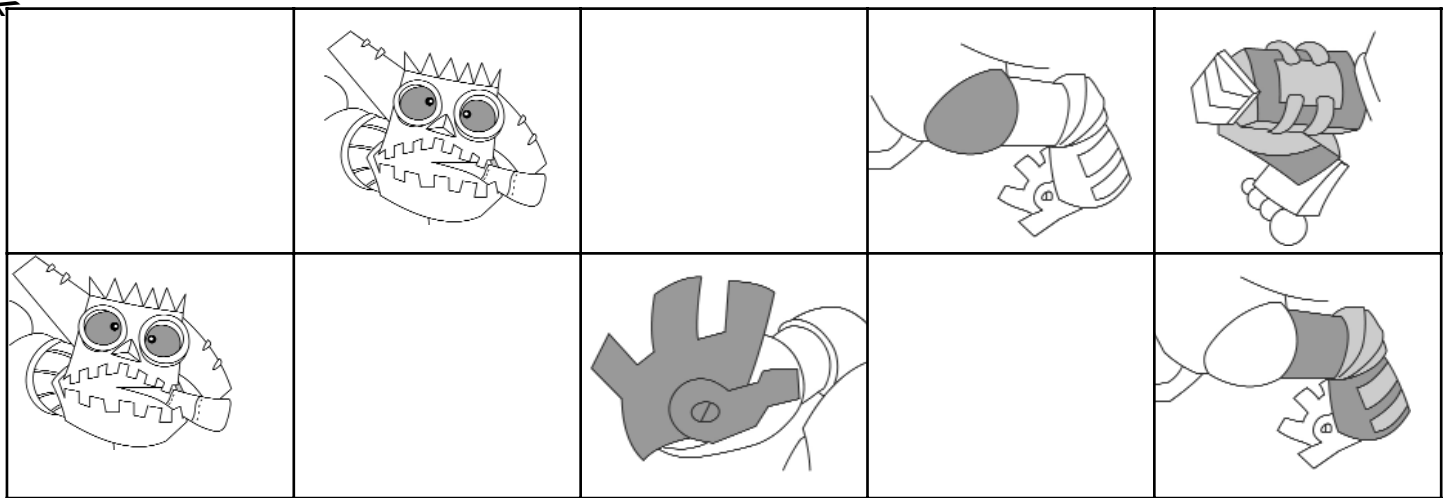

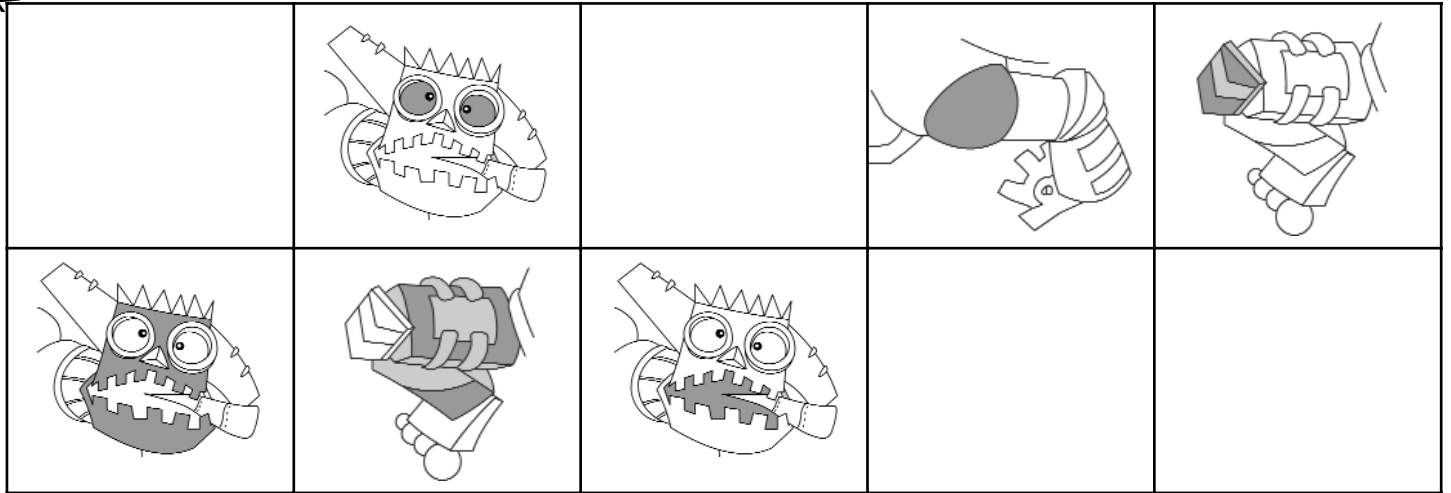

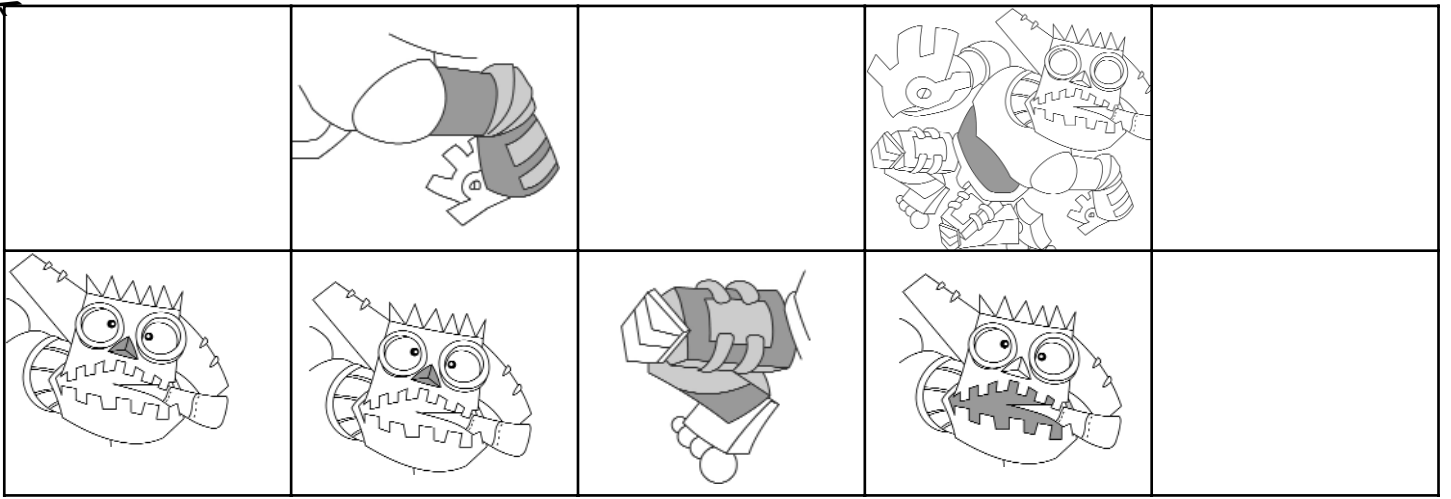

The caller places the word tiles face down. He/she picks them up, one at a time, and calls out the body part.

The other players search their Loto card and cover the body part if it appears on their card.

The winner is the first player to cover all the body parts on their card.

The winner becomes the caller for the next game.
