

# 6. Zahlen überall!

## ► Instructions

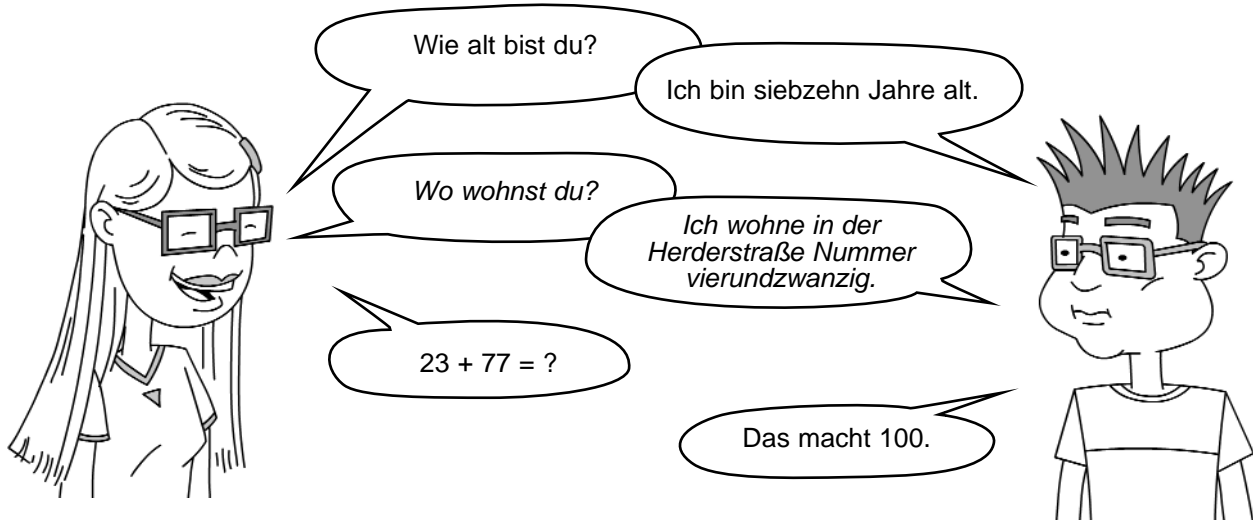

This activity requires two players.

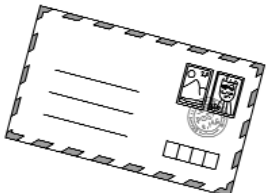

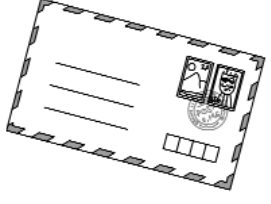

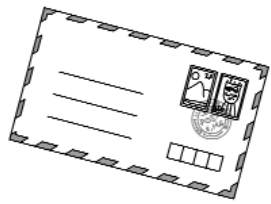

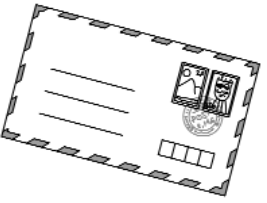

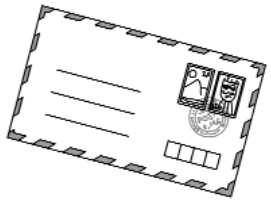

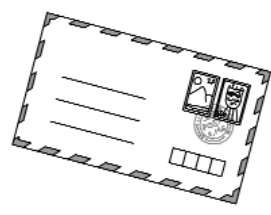

Cut out the cards and place them face down between you.

Player A takes a card and places it face up.

Player B must ask the correct question, which Player A answers using the information on the card.

Take turns until all cards have been used.

 26 Jahre alt	 Mainzerstraße 85	 $45 + 37 = ?$	 41 Jahre alt	 Herderstraße 27
 $33 - 20 = ?$	 20 Jahre alt	 Am Gießbach 6	 $13 + 86 = ?$	 38 Jahre alt
 Rosenstraße 13	 $94 - 47 = ?$	 64 Jahre alt	 Hauptstraße 36	 Osterwaldstraße 72
