

3. Siapa pemain pertama?

pertama

kedua

ketiga

keempat

kelima

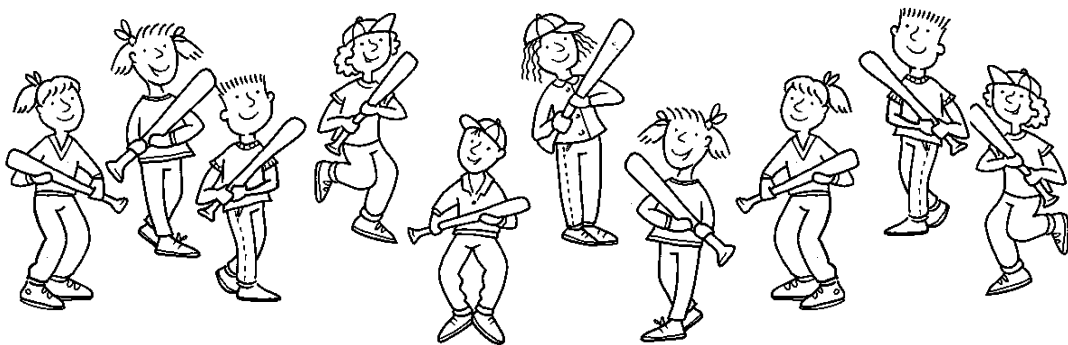

keenam

ketujuh

kedelapan

kesembilan

kesepuluh

Instructions

- This activity requires ten students.
- Cut out the cards, shuffle and place in a pile face down.
- Each student then takes one card and lines up according to the number on their card. For example the student with the 'ketiga' card would be third in line.
- When the line is complete students call out their number in order beginning with 'pertama'. Students need to pay attention to the gender of the word they use.

Name: _____
