

# 8. Una mostra in classe

## ► Instructions

*As a class, create a display for your classroom, showing pictures and models of different forms of transport used in Italy.*

*Use the Internet, reference books and magazines to find pictures of traditional and modern forms of transport in Italy.*

*Make copies, or draw your own version of these pictures. (Remember to mention the websites that these pictures come from.)*

*Why not make a model of a traditional Italian mode of transport?*

*Label these pictures and models in Italian. Add any other interesting details which you discover in your research.*
