Instructions

- You will need a partner to play these games - First you must cut out the cards.

Game A

- Mix up cards and put them face down.
- Select 2 cards each and try to match a question/greeting with the appropriate answer.
- If the question/greeting and answer doesn't match, put the cards back, face down.
- When you select a question/greeting and its appropriate answer, you keep the cards and you get another turn at selecting.
- The winner is the student who is able to get the highest number of cards.

Name: _____

Game A

- Put cards in 2 piles, one with questions/ greetings and the other with answers/greetings.
- Each of you has one pile of cards turned face down. Together, you turn over the first card from your pile.
- If the card from the answer pile has the right answer to the question on the other pile you have to say 'Snap!'
- The first one to say it wins a point.
- The game goes on until all cards are used.
