

3. Qui est le premier?

premier

deuxième

troisième

quatrième

cinquième

sixième

septième

huitième

neuvième

dixième

Instructions

- This activity requires ten students
- Cut out the cards, shuffle and place in a pile face down.
- Each student then takes one card and lines up according to the number on their card. For example the student with the 'troisième' card would be third in line.
- When the line is complete students call out their number in order beginning with 'premier'.

Name: _____
