Instructions

- Three or four players are needed to play this game of 'Loto'. (You will also need some counters or markers to place on the cards).
- Cut out each of the three cards and all of the word cards.
- Place all the word cards in the container. One player picks one card out at a time and calls out the word.
- The other players search their card to see if there is a picture on their card of that game/activity, placing a marker on each correct answer.
- The winner is the first player to correctly cover all the pictures on their card and call out 'Loto'.
