

# 6. Mon robot, c'est comment?

## ► Instructions

*This activity requires two students.*

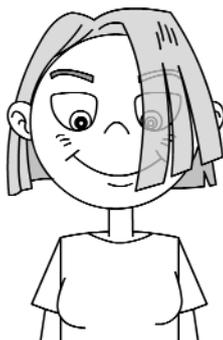

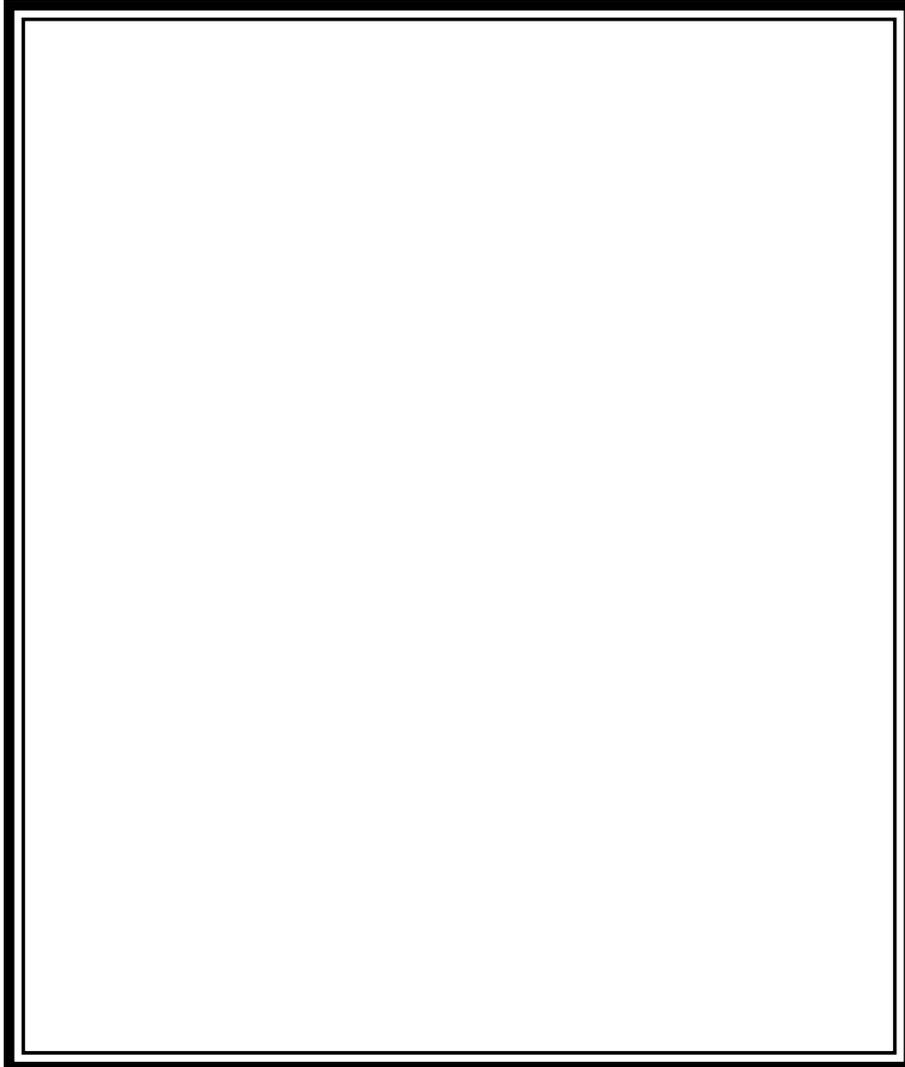

*Use the picture you drew for activity 5. Make sure your partner does not see your picture!*

*Student A describes his/her robot in French.*

*Student B listens carefully and draws the robot according to the description.*

*When the first picture is complete, Student B describes his/her picture, and Student A draws it.*

*When both pictures are complete, compare them. Are they close to the originals?*

Mon robot a de grandes oreilles. Il a de longs bras. Il a de courtes jambes.
