

## 2. Quanti anni hai?

Quanti anni hai?

Quanti anni hai?

### Instructions

- This game requires two or more players.
- Cut out playing box and all the question cards and place them face down on the grey box.
- The first player asks the question 'Quanti anni hai?'. The player on his/her left picks up the first cake card, counts the candles and answers the question.
- The game continues moving to the left with each answer.
- Continue until all cards have been used.
