

4. Избери карта

Name: _____

► Instructions:

- Play this game in groups of 2 or more. Cut out the cards, and deal four to each player. Place the remaining cards face down in the centre.
- The first player picks a colour from their cards and says for example "Дали имаш сино?" ("Do you have blue?").
- If the player has the matching card he or she must hand it over, otherwise they say "фати риба" ("go fish") and the player picks up a card from the central pile.
- The game continues until all cards have been used. The player with the most pairs is the winner.
