

4. Tombala

Name: _____

► **Instructions:**

- Three to five players are needed to play 'Tombala'. Take it in turns to be the 'caller' who picks and reads out the number cards.
- Cut out each Tombala card and all of the word cards. (You will also need some counters or markers to place on the cards).
- Place all the word cards in a container. The caller picks out the number card one at a time and reads out the number in Turkish.
- The other players search their Tombala card for the number, and place a marker on each correct number.
- The winner is the first player to correctly cover all the pictures on their card and call out 'Tombala'.
