Carers

Technologists

The Carers Cluster

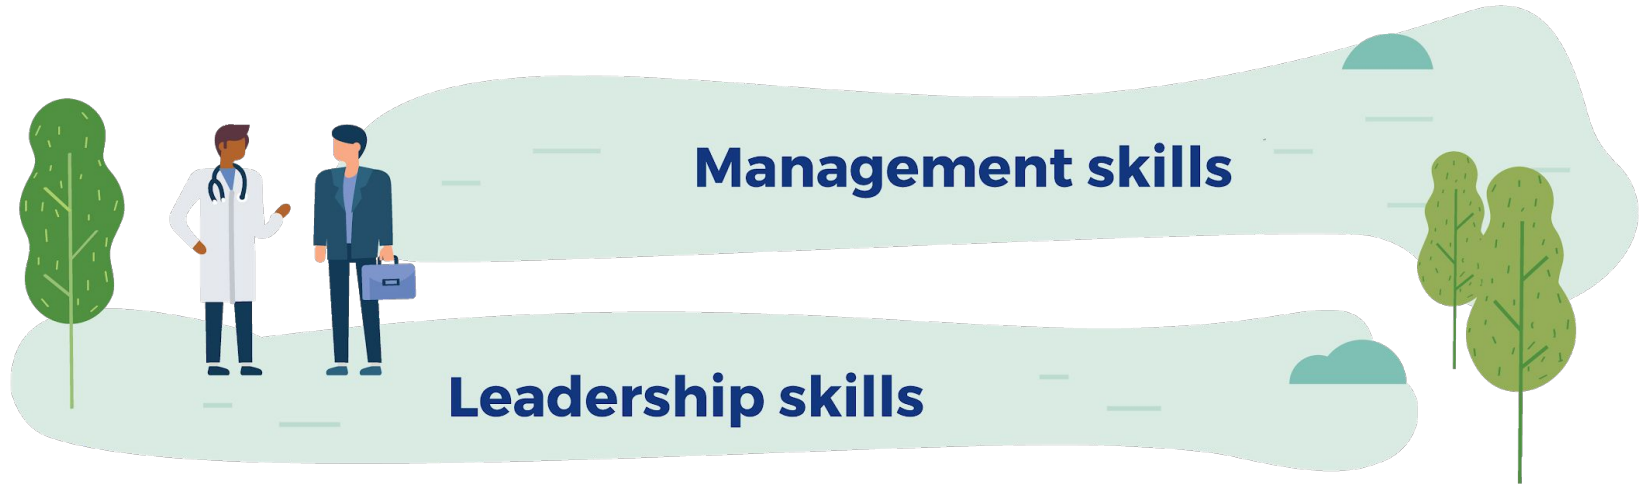

By 2025...

29% growth in jobs

Will require an additional
2,500 workers

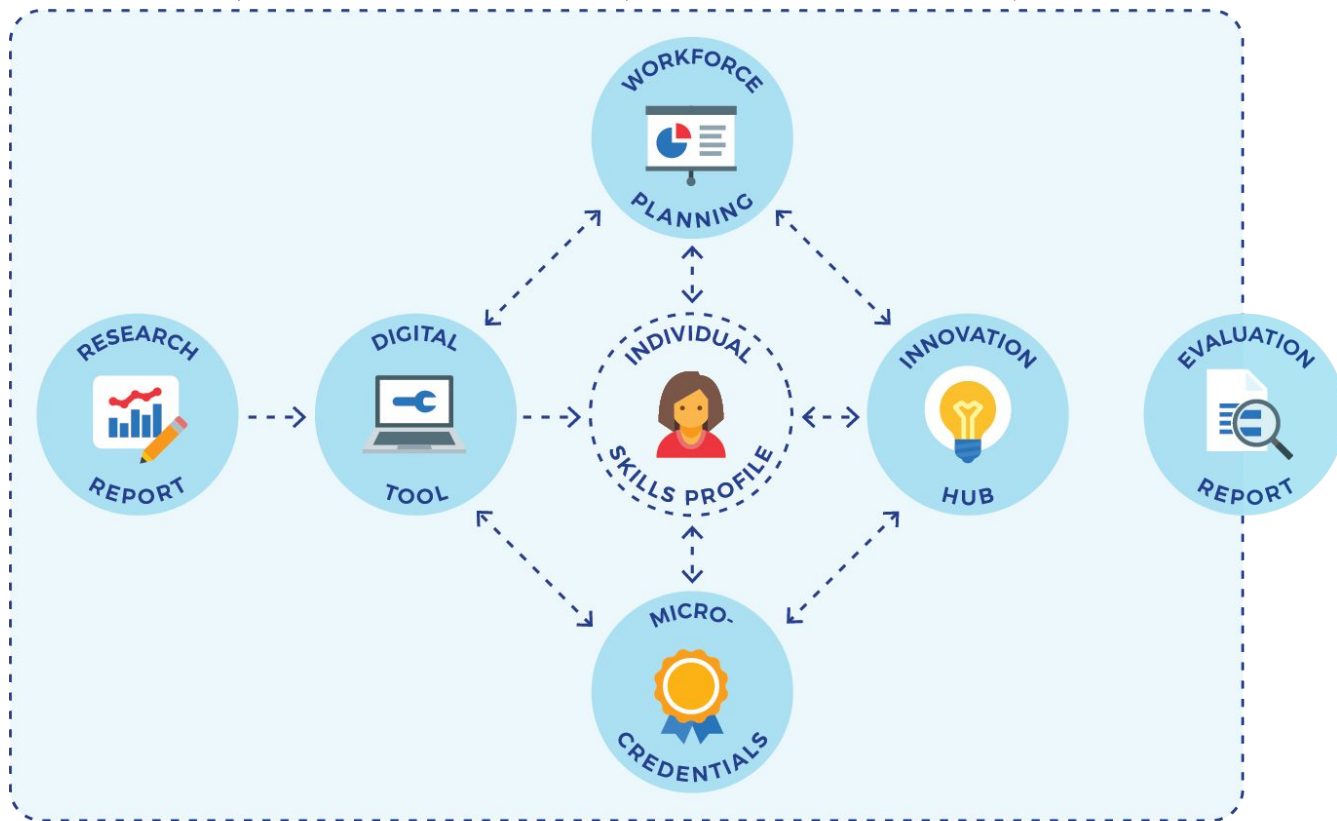

BETTER MEETING INDUSTRY NEEDS

Example: Certificate III in Individual Support and
Certificate IV in Disability

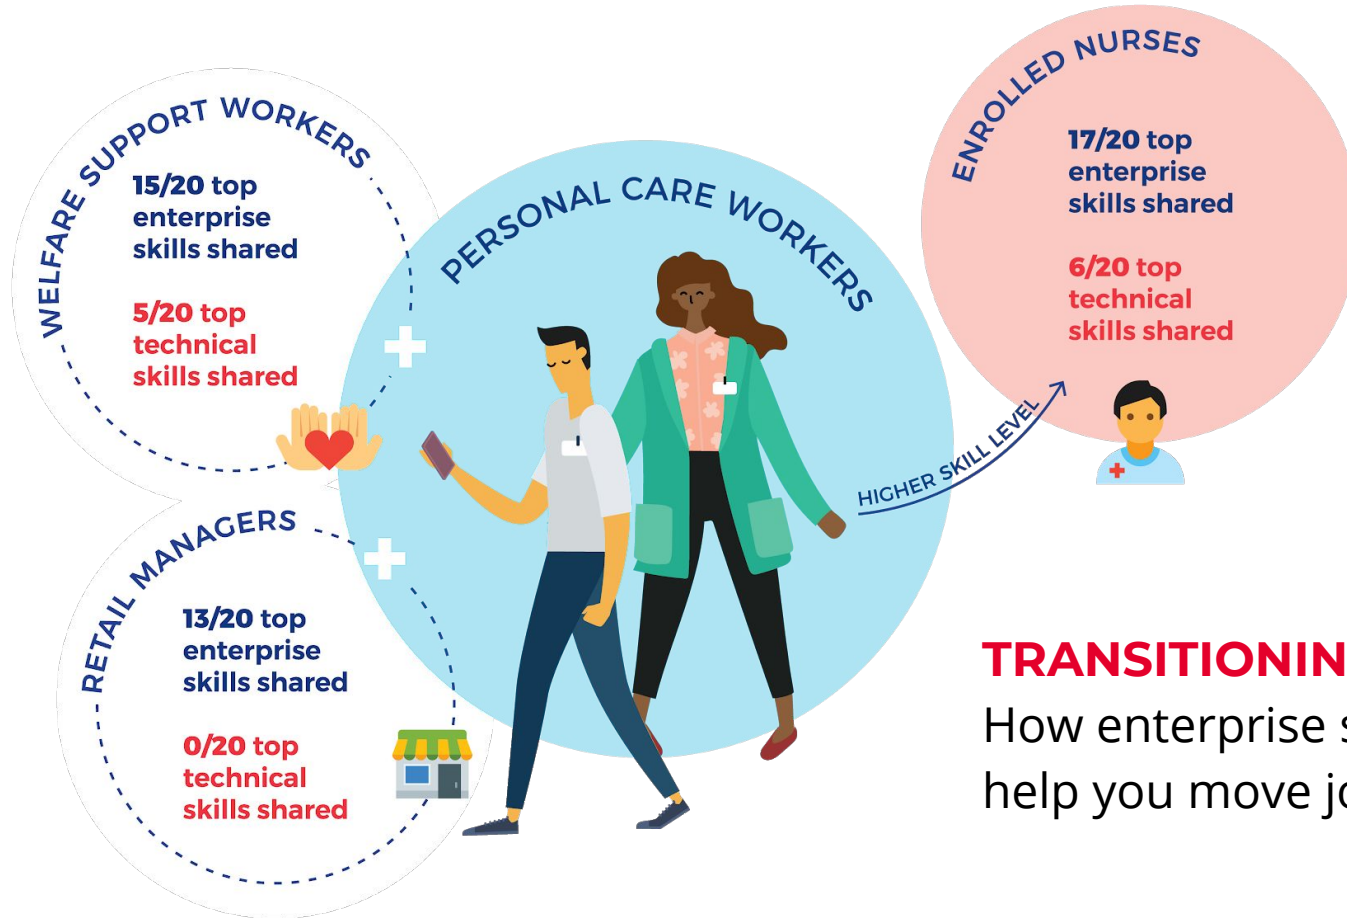

Opportunities

INDUSTRY WORKFORCE NEEDS (AGED CARE)

CURRENT AND FUTURE WORKFORCE TRAINING (TAFE)

TRANSITIONING JOBS

How enterprise skills can help you move jobs

Pivot

Career navigator

SWTAFE programs

The Hive & Hive Incubator

Coworking space
with an immersive
seven-week program
to enable business or
product ideas in the
carers cluster

The value proposition

**Supports
transitioning
economies**

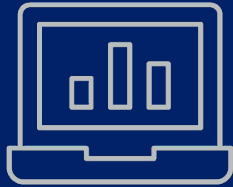

**Enables deep
collaboration**

**Fosters
equity**

We all have a role to play

**Responsive
Training
System**

**Micro-
credentials**

**Industry
Involvement**
