## Tailored career guidance for your child

After turning 15, your child can get free access to the world-leading Morrisby online career education tool.

Morrisby helps your child make informed choices for senior secondary school and beyond by exploring their interests and career opportunities.

**Your child's school needs your consent to give your child access to Morrisby.**

The My Career Insights program pairs your child's Morrisby profile with a free one-on-one expert career consultant session, supported by the Australian Centre for Career Education.

This is an important opportunity for your child. It will help them update their career action plan, make big decisions and stay motivated to learn.

**Working outdoors**

**Working indoors**

**Dealing with the public**

**Next Step** [Your Personality >](#)

**Preferences**

- Nice Surroundings
- Meeting People
- With the Public
- Non-physical

Regarding workplace, you like the idea of a comfortable, well-equipped building where you can meet new people frequently. You don't like the idea of being stuck away on your own in an office and nor do you want to be outside in all weathers. There are many careers with many employers which will provide this combination. You don't have much desire to find work that is largely physical, nor indeed work that is based outdoors. You probably prefer to be in a relatively comfortable environment, working alongside other people.

## Personality Type

**Personality Type: The Coach**

Sociable and gregarious, happy to lead and be the centre of attention. Analytical, systematic, realistic and dependable. Focused but flexible, considerate and encouraging.

**Next Step** [Your Learning Style >](#)

**The Coach**

- Enthusiastic
- Outgoing
- Gregarious
- Factual
- Analytical
- Practical

**Extravert** Do you focus more on the world and people around you?

**Intuitive** Are you content to work from a subjective impression of a situation?

**Thinking** Do you always follow the technically correct course of action?

**Judging** Are you more comfortable in a well-ordered, structured environment?

**Introvert** Do you focus on your inner world of ideas, thoughts and distractions?

**Sensing** Do you prefer having objective information?

**Feeling** Do you take your and other people's feelings into account?

**Perceiving** Do you prefer the spontaneity of a flexible lifestyle?

The main feature of your results is your extroversion result. You enjoy being in the company of others and being the centre of attention. You want to live in the here-and-now and enjoy sharing new experiences with others.

Also of importance is your preference for taking a down-to-earth, realistic approach. You like to base your opinions on your experiences and observations. Whilst imagination and creativity are important
